The detailed instructions for accessing and participating in the AGM through VC/OAVM facility is mentioned in Note No.13 below.

Members may note that Notice of the AGM and Annual Report 2021-22 will also be available on the Company's website www.asianhotelsnorth.com, website of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and also on the website of the Registrar & Transfer Agent namely KFin Technologies Ltd. (RTA) at www.kfintech.com.

2. Since the AGM shall be held through VC/OAVM and the physical attendance of Members has been dispensed with in terms of the MCA Circulars, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by Members under Section 105 of the Companies Act, 2013 ("the Act") will not be available for the AGM. Hence, the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.

Institutional/Corporate Members are advised to appoint their Authorized Representatives in pursuance of Section 113 of the Act for the purposes of exercising remote e-voting, attending the AGM through VC/OAVM and e-Voting during the AGM. Institutional/Corporate Members intending to appoint their authorized representatives are requested to provide a duly certified copy of the Resolution of its Board or Governing Body under Section 113 of the Act (in PDF Format), authorizing them to exercise remote e-voting, attend the AGM through VC/OAVM and exercise e-Vote at the AGM, and email the same to the Scrutinizer through their registered email at rupesh@cacsindia.com with a copy marked to the Company and the RTA at investorrelations@ahlnorth.com and evoting@kfintech.com respectively.

3. Members attending the AGM through VC/OAVM shall be reckoned for the purposes of the quorum under Section 103 of the Act.
4. An explanatory Statement pursuant to Section 102 of the Act and Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations) related to the special business is annexed hereto and forms part of the Notice.

Additional information pursuant to Secretarial Standard on General Meetings (SS-2) in respect of the Directors seeking appointment/re-appointment at the AGM, is appended and be construed as a part of this Notice.

5. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act and the Register of Contracts and Arrangements in which Directors are interested under Section 189 of the Act or any other documents as may be required electronically during the AGM shall be accessible for the inspection electronically by the Members during the continuance of the AGM.

Documents referred to in the accompanying Notice along with the explanatory statements will be open for inspection by the Members in electronic mode during business hours between 10.00 a.m. and 5.00 p.m. on all working days (except Saturday and Sunday) till the date of the AGM, and also during the AGM. The members seeking to inspect such documents can send an email to investorrelations@ahlnorth.com requesting the same. On receiving a valid email request from any member, the Company shall make requisite arrangements for inspection of such documents.

6. Members seeking information or clarification regarding any business placed before the AGM may e-mail their query from their registered e-mail address, mentioning their name, DP-ID and Client-ID/ Folio No. and mobile no. to reach the Company's e-mail address at investorrelations@ahlnorth.com at least 72 hours in advance before the start of the said meeting.

ASIAN HOTELS (NORTH) LIMITED

7. Members of the Company are advised to nominate a person pursuant to Section 72 of the Act read with SEBI Circular, in whom the shares held by him/them shall vest in the unfortunate event of his/their death. Members holding shares in physical form may file nomination in the prescribed Form SH-13 with the Company's RTA. Members holding shares in dematerialized form may file their nomination directly with their respective Depository Participant. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website <https://www.asianhotelsnorth.com/Downloads.html>
8. Securities and Exchange Board of India ("SEBI") has mandated that effective 1st April, 2019, securities of listed companies can be transferred only in dematerialized form, and accordingly, the Company and its RTA has stopped accepting any fresh lodgement of transfer of shares in physical form. Members holding shares in physical form are advised to dematerialize their securities.
9. The Register of Members and Share Transfer Books of the Company will remain closed from the 22nd September, 2022 to 28th September, 2022 inclusive of both days.
10. In compliance with the MCA Circulars and to ensure that this Annual Report 2021-22 and notice for the AGM reaches all members, the Company had published a Notice in "Business Standard" newspaper (published on 24th August 2022) advising the Members who have not registered/updated their e-mail addresses with the Company to register/update their e-mail addresses in the manner described therein

In continued compliance of Rule 18(3)(i) of the Companies (Management and Administration) Rules, 2014, the Company is pleased to provide yet another opportunity to the members to register/update their e-mail addresses by providing the requisite details in the proforma annexed towards the end of the Annual Report.

- a) Members holding shares in physical mode are requested to notify change, if any, in their e-mail address, mailing address including pin code, bank details, residential status etc. to the Company or RTA, quoting their folio number, at investorrelations@ahlnorth.com or einward.ris@kfintech.com respectively.
- b) Members holding shares in electronic form should notify any change in their e-mail address, mailing address including pin code, bank details, residential status etc. directly to their respective Depository Participants.

The Members may contact the Share Department of the Company at the above-mentioned address, telephone numbers and e-mail id or the RTA at their registered office at Selenium Tower B, Plot 31 & 32, Financial District, Nanakramguda, Serilingampally Mandal, Hyderabad – 500 032; Toll Free No. 1800-309-4001; or at the e-mail id: einward.ris@kfintech.com for any assistance/clarification.

11. The Securities and Exchange Board of India has made it mandatory for all Companies to use the bank account details furnished by the depositories for depositing dividend through National Electronic Clearing Service (NECS) to investors wherever requisite bank details are available. **Members holding shares in physical form are also requested to register their mandate for transfer of future dividend, as well as unclaimed/unpaid dividends through NECS so that the same may be deposited directly to the members' respective bank accounts. The proforma for registration/up-dation of NECS mandate is annexed towards the end of the Annual Report.** In the absence of NECS facilities, the Company prints the bank account details, if available, on the dividend warrant to avoid any fraudulent encashment of warrants.
12.
 - a) In compliance with the provisions of Section 108 of the Act read with Rule 20 of The Companies (Management & Administration) Rules, 2014, and Regulation 44 of the Listing Regulations, the Company is pleased to provide to the members the facility to exercise their right to vote by electronic means in respect of the business placed at the AGM through remote e-voting platform and e-voting at the AGM provided by KFin Technologies Ltd.
 - b) The members attending the AGM through VC/OAVM who have not cast their vote through remote e-voting shall be provided the opportunity to vote through e-voting at the AGM.
 - c) The members who have cast their vote prior to the AGM through remote e-voting may also attend the said meeting through VC/OAVM. However, such members shall not be entitled to cast their votes again at the AGM.
 - d) In case of joint holders attending the Meeting, only such joint holder whose name appears first in order of joint holders will be entitled to vote at the AGM.
 - e) Every Client ID No./Folio No. will have one vote, irrespective of number of joint holders.
13. **General instructions for accessing and participating in the AGM through VC/OAVM:**
 - a) Members may note that the VC/OAVM facility, provided by RTA allows participation of 1,000 Members on a first-come-first-served basis. FINANCIAL STATEMENTS

In accordance with the provisions of Section 129 of the Companies Act, 2013 ("the Act") read with rules thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations"), your Directors have presented the standalone

ASIAN HOTELS (NORTH) LIMITED

financial statements of the Company and consolidated financial statements, comprising financials of the Company and its subsidiaries for the financial year 2021-22, as part of this Annual Report.

In accordance with the provisions of Section 136 of the Act, Balance sheet, statement of profit & loss, cash flow statement, statement of changes in equity and notes to accounts together with the report of Board of Directors and report of Auditors of each of the subsidiaries are open for inspection by the Members at the registered office of the Company, copies of which may be furnished, if desired by any Member. Further, these documents are also uploaded on the website of the Company.

MATERIAL CHANGES AND COMMITMENTS IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY BETWEEN THE END OF THE FINANCIAL YEAR UNDER REVIEW TO WHICH THE FINANCIAL STATEMENTS RELATE AND THE DATE OF THIS REPORT.

During the major part of the year, the business of the Company was significantly impacted due to COVID-19. In terms of room occupancy as well as food, beverages and other income of Hotel "Hyatt Regency Delhi" owned by the Company. Further, Commercial Real Estate Sales ("CRE") activity of the company has also come to halt during this period. With ease of restrictions imposed due to lockdowns the hotel started opening on various fronts expecting growth in business.

The major reasons for stress, due to outbreak of Covid -19 are:

1. Travel Restriction and Government imposed lockdowns announced on domestic as well as international travel throughout the globe.
2. Substantial decline in room occupancy level
3. Substantial decline in F & B and other support services income
4. Decline in income of restaurants
5. Increase in level of Debt due to regular interest application as fixed expenses
6. CRE activity of company also came to halt during pandemic period due to general economic slowdown in the country

The Company has assessed the impact of COVID-19 on the future cash flow projections. The Company has also prepared a range of scenarios to estimate financing requirements. The Company has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, investments, trade receivables, inventories and other current assets appearing in the financial statements of the Company. Based on the current indicators of future economic conditions, the Company expects to recover the carrying value of these assets. The impact assessment of COVID-19 is a continuous process given the uncertainties associated with its nature and duration and actual results may differ materially from these estimates.

Further, majority lenders have approved the One Time Restructuring (OTR), while the OTR stands implemented there is litigation with the Yes Bank Limited, wherein interim orders in favour of the Company are in operation. There are certain impediments in the OTR compliance which is being considered at the Joint lenders meeting (JLM). These factors and expected future improvement in business operations will be critical for the Company to continue as a Going Concern.

In respect of Ultimate Subsidiary Company, i.e., Leading Hotels Limited, an Order under section 7 of Insolvency & Bankruptcy Code 2016, read with rule 4 of the Insolvency & Bankruptcy (Application to Adjudicating Authority) Rules, 2016 passed under the year under review on June 25, 2021 for initiating Corporate Insolvency Resolution Process (CIRP). Due to the uncertainty related to realization of amount from the Insolvency process the value of investment is fully impaired during the year by creation of provision for diminution in the value of the investment.

The Company will continue to monitor the material changes in future economic conditions and would recognize any significant impact of these changes affecting the Company, in the financial statements, as and when these conditions arise.

Save as otherwise stated above with regard to the adverse impact caused by the COVID-19 pandemic, your Directors would like to inform that no other material changes and commitments have occurred between the end of the financial year under review and the date of this report that may adversely affect the financial position of the Company.

Shopping Arcade

In a significant decision, your Directors in their meeting held on 23rd May, 2020 decided to revoke all existing license agreements in respect of the shops in Hotel Hyatt Regency's shopping arcade.

In pursuance of the aforesaid decision, revocation notices were issued to all the licensees and thereafter they moved to the Delhi High Court. The status quo of the litigation initiated by the licensees with regard to Shopping Arcade area continued the same.

The Company had filed SLP against the Hon'ble High Court Order towards the judgment on including Banks as party to the case. The matter was heard and favorable judgment was received, whereby, the Hon'ble Supreme Court of India excluded banks (being lenders) as a necessary party to the case.

Restructuring Plan

As mentioned above, in the wake of the prevailing Covid-19 situation, performance of the Company has been impacted substantially, which has resulted in cash flow constraints.

ASIAN HOTELS (NORTH) LIMITED

Based on the recommendation of the Audit committee, the Board of Directors of the Company in its meeting held on 12th November 2020, considered, and approved the submission of draft restructuring plan to its bankers.

The company filled application regarding OTR of its credit facilities with all the lenders, subsequently invocation of OTR was done on 09th Dec 2020 and Inter creditor agreement was signed on 23rd December 2020 by all the lenders.

Bank of Maharashtra, being the Lead Bank has completed requisite formalities and circulated to all the lenders through e mails, respective lenders had approached their sanctioning authority and given the decisions which are summarised as below.

M/s. Chandrasekaran Associates, Company Secretaries, the Secretarial Auditors of the Company, have submitted their report for the financial year ended on 31st March, 2022 which is annexed as **Annexure 'A'** and forms part of this Report.

Secretarial Auditors in their Report dated 9th August, 2022, has expressed qualified opinion in respect of the following points and the management reply are mentioned below correspondence to that points:

- Under Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the following intimation shall be made to stock exchange within 24 hours of such change, however, the same has been made beyond 24 hours:
 - Mr. Dinesh Kumar Jain, Vice President (Corporate Affairs) & Company Secretary, resigned from the services of the Company w.e.f. 08.06.2021. The Company has made intimation to Stock Exchange beyond the prescribed time.
 - At time of submission of stock exchange intimation for appointment of Dr. Rajeev Uberoi as Director, the required affirmation regarding non-debarment of Dr. Uberoi from holding the office of Director by virtue of any order of SEBI or any other such authority was not included in terms of extant directions issued by BSE Limited and the National Stock Exchange of India Limited. However, the Company has submitted such affirmation with revised disclosure after 2 days of board meeting.
 - The Company has not intimated to the stock exchanges with respect to the divestment of its entire investment held in Sandhya Hydro Power Projects Balargha Private Limited.
 - The Company has not intimated the change in credit rating to RP & RP-4 to the stock exchanges.
 - The Stock exchange intimation for revision in credit rating does not contain the reasons provided by the rating agency for such downward revision. However as confirmed by the Company, the Company had an RP Rating and therefore the Company had already requested Credit Rating Agency should withdraw the rating as per the Company's communication dated 24th December, 2021, since the credit rating was not asked by the Company and accordingly, as confirmed by the company, it was not required to be filed with the stock exchanges.
 - Outcome of the meeting including the financial results for the Quarter ended 31st March, 2021 were intimated beyond the prescribed time to the Stock exchanges. The Company has received a letter from BSE and NSE dated 14.07.2021 regarding the same.

Management Reply: In pursuant to the above opinions, the delay in filings and fragmentary information disclosed to the stock exchanges were majorly due to disruption in business operation of the Company due to widespread of COVID-19 and subsequent lockdowns. Company will ensure that no such occurrence incur in the future.

- Pursuant to Regulation 33(3)(d) of SEBI (Listing Obligations and Disclosure Requirements), 2015 read with circular issued therein, the Company has submitted the Audited Financial Results for FY 2020-21 and the Statement of Impact of Audit Qualification and declaration regarding qualifications in the Auditors' Report. However, the Company has not included the Comments of the Auditors with regard to the Management's view on qualification made by the Auditors.

Management Reply: In pursuant to the above opinions, the Company emphasize that the said instance is an odd occurrence under difficult circumstances and that the Company being a law-abiding corporate citizen would ensure that no such instance occurs in the future.

- The Audited financial results for the year ended 31st March, 2021 were due to be submitted to the stock exchanges on 30.06.2021 considering the relaxation provided by SEBI. The Board has approved the Audited financial results on 05th July, 2021 and submitted thereafter. MANAGEMENT DISCUSSION AND ANALYSIS

Pursuant to Para B of Schedule V to the Listing Regulations, the Management Discussion and Analysis Report is given below:

INDUSTRY STRUCTURE & DEVELOPMENTS AND OPPORTUNITIES & OUTLOOK

The restrictions imposed by the pandemic in previous year also had repercussions on the current financial year. During the year under review the economic activities slowed down.

India implemented a stringent lockdown from April to May of the year 2021-22 to curb the pace of spread of second wave of COVID-19. With the economy brought to a standstill for two complete months, the inevitable effect was a 7.3 % contraction in GDP during 2021 due to the stringent lockdown imposed during April-May, 2021. The economy was gradually unlocked since June, 2021 and has experienced a V-shaped recovery since then.

The contact intensive services sector was severely impacted, particularly sub-sectors such as tourism, aviation, and hospitality. The hospitality sector is linked to the tourism sector. The sector that employs millions of Indians started bouncing back after the first wave, but the second wave of covid was back for the devastation. The tourism sector contributes nearly 7% to India's annual GDP, the restrictions due to the second wave have crippled the tourism sector, which was already struggling to recover from the initial loss suffered by the businesses in 2020.

The rich and varied culture of India makes it a major travel destination for many international tourists. However, 2021 turned out to be one of the worst years for the country's travel and hospitality sector as a result of the pandemic. Travel restrictions imposed by the Indian government and fears associated with COVID-19 compelled travellers to cancel their business trips, conferences and leisure travels both domestic and international. Summer holiday bookings to destinations within India were cancelled. Most international and domestic flights remained suspended.

With the travel restrictions and limited international travel, the Indian tourism and hospitality industry is expected to see more of domestic travel and staycations in near future. To boost the sector, travel and hospitality industry has come up with new policies and concepts that prioritise health and hygiene. "Digital" is the new way forward for the industry as many hotels are adopting contactless methods for check-ins, check-outs and payments.

The Indian tourism and hospitality industry has emerged as one of the key drivers of growth among the services sector in India. Tourism in India has significant potential considering the rich cultural and historical heritage, variety in ecology, terrains and places of natural beauty spread across the country. Another factor is India's emergence as a destination to avail world class medical facilities at competitive cost.

THREATS, RISKS AND CONCERNS

The major threat to the tourism and travel industry is the widespread of COVID-19. Travel restrictions owing to pandemic continue to impact hospitality, travel and tourism sectors within India and around the world. The Indian hospitality industry is undoubtedly one of the biggest casualties of the COVID-19 outbreak as demand has declined to an all-time low. Global travel advisories, suspension of Visas coupled with decline in International tourists even after relaxation in lockdown guidelines has impacted the business of the Company.

Another challenge to the organized hotel industry is the increasing availability of rooms, and guest preference for the serviced apartments for short-term or long-term stay, providing larger rooms and more space with all the luxuries of a premium hotel at a far more competitive rate.

Increased competition in the last few years has eroded the market share of the Company's hotel thus impacting the occupancy levels and room rates. One of the most critical developments shaking up the hospitality industry is the growth of the sharing economy. Airbnb who paved the way in the accommodations sector of the hospitality industry has increased competition and no longer is the only player.

ASIAN HOTELS (NORTH) LIMITED

Talent management is a major challenge for the hospitality sector. Inadequate supply of quality talent and increased competition for talent within the sector and from competing service sectors has made attrition a significant issue to be dealt with.

COMPANY'S STRATEGY FOR SUSTAINED GROWTH IN MEDIUM TO LONG TERM

For the sustained growth of an organization, it is imperative that the Company keeps exploring newer opportunities of growth either through expansion or venturing into new projects. In its endeavor for sustained growth, the Board of Directors of the Company is contemplating how to best utilize the additional FAR (Floor Area Ratio) of approx. 30,000 sq. meters which is available to the Company in respect of land where hotel Hyatt Regency Delhi is situated, subject to payment of requisite charges to the authorities concerned.

REVIEW OF OPERATIONAL AND FINANCIAL PERFORMANCE

The Company achieved aggregate revenue of Rs. 130.52 crore from operations for the year ended 31st March, 2022. The said revenue in the prior year was Rs. 72.58 crore. Detailed discussions are given under 'Financial Results & the State of Company's Affairs' herein-above.

SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS

Key financial ratios for the year under review vis-à-vis prior year are as under:

S.No.	Key Financial Ratio	FY 2021-22	FY 2020-21
i	Operating Profit Margin (%)	4.60	(27.52)
ii	Net Profit Margin (%)	(92.72)	(933.70)
iii	Debtors Turnover	10.64	5.50
iv	Inventory Turnover	23.31	9.22
v	Current Ratio	0.07	0.08
vi	Debt Equity Ratio	4.32	2.58
vii	Interest Coverage Ratio	(0.14)	(0.38)
viii	Return on Net Worth (%)	(50.50)	(187.10)

Remarks for change in ratio by more than 25% with respect to previous year:-

Operating Profit Margin Ratio

Ratio has become more favourable in the financial year 2021-22 as compared to previous financial year 2020-21 as there is improvement in the business due to reduced impact of COVID-19 related restrictions.

Net Profit Margin Ratio

Ratio is adverse due to losses incurred by company. There is improvement in ratio as company has made operational profit during the year & unlike previous year there is no exceptional item during the current year.

Inventory Turnover and Debtors Turnover Ratio

Ratio has become more favourable in the financial year 2021-22 as compared to previous financial year 2020-21 because of the COVID-19 pandemic operations of hotels & restaurants were closed for substantial period during previous year which resulted in ineffective utilization of inventory & non receipt of dues from corporate clients.

Debt Equity Ratio

Ratio is adverse because of continues increase in Debts (due to capitalization of interest & creation of FITL).

Interest Coverage Ratio

Ratio is adverse as company unable to generate enough cash to service its outstanding Debts. There is negligible improvement in ratio due to partial recovery in the business considering the reduced impact of COVID-19 restrictions during the year.

Return on Net-Worth Ratio

Ratio has become more favorable in the financial year 2021-22 as compared to previous financial year 2020-21 due to:

- i) Reduction in losses as there are no exceptional items during the current year unlike previous year.
- ii) Improvement in profitability due to reduced COVID - 19 related restrictions.
- iii) Net-worth is still negative due to continuous losses incurred by the Company.

SEGMENT WISE PERFORMANCE

During the year under review, your Company operated an integrated hotel business at only one location i.e. New Delhi. Power generation, the other business segment being pursued by the Company is governed by a different set of risks and returns. Your Company had two

ASIAN HOTELS (NORTH) LIMITED

Wind Turbine Generators operating in Maharashtra, but the quantum of assets as well as revenue generated was not significant enough for reporting in terms of the applicable Accounting Standard.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has standard operating procedures for each operational area. It has in place adequate reporting systems in respect of financial performance, operational efficiencies and reporting with respect to compliance of various statutory and regulatory matters. As detailed above, the Internal Auditors have regularly conducted exhaustive audits pertaining to different operational areas and their reports detailing their findings and observations were periodically placed before the Audit Committee. The Audit Committee also takes status of the actions taken on the observations of and recommendations made by the Internal Auditors.

The Company has in place adequate internal controls and systems and these are operating effectively.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

An organization's success depends largely on its human resources, its management and good industrial relations. Your Company has always viewed human resource development as a critical activity for achieving its business goals. The Company has maintained cordial industrial relations during the year, and continued to provide comprehensive welfare facilities to its employees to take care of their health, efficiency, economic betterment, etc. and to enable them to give their best at the workplace. It has always supported participative culture in the management of the enterprise through a consultative approach with the collectives, establishing a harmonious relationship for industrial peace leading to higher productivity. Employees' participation is also ensured through information-sharing with collectives and employees on a regular basis while seeking their support, suggestions and cooperation.

 3. The Food Safety and Standard Rules, 2011; and
 4. Delhi Entertainment & Betting Tax Act, 1996.

ASIAN HOTELS (NORTH) LIMITED

We have also examined the compliance with the applicable clauses/Regulations of the following:

- I. Secretarial Standards issued by The Institute of Company Secretaries of India and notified by Ministry of Corporate Affairs.
- II. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”)

During the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except delay in filing of few e-forms and non-filing of one form with the Registrar of Companies and as mentioned below:

1. Under Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the following intimation shall be made to stock exchange within 24 hours of such change, however, the same has been made beyond 24 hours:
 - Mr. Dinesh Kumar Jain, Vice President (Corporate Affairs) & Company Secretary, resigned from the services of the Company w.e.f. 08.06.2021. The Company has made intimation to Stock Exchange beyond the prescribed time.
 - At time of submission of stock exchange intimation for appointment of Dr. Rajeev Uberoi as Director, the required affirmation regarding non-debarment of Dr. Uberoi from holding the office of Director by virtue of any order of SEBI or any other such authority was not included in terms of extant directions issued by BSE Limited and the National Stock Exchange of India Limited. However, the Company has submitted such affirmation with revised disclosure after 2 days of board meeting.
 - The Company has not intimated to the stock exchanges with respect to the divestment of its entire investment held in Sandhya Hydro Power Projects Balargha Private Limited.
 - The Company has not intimated the change in credit rating to RP & RP4 to the stock exchanges.
 - The Stock exchange intimation for revision in credit rating does not contain the reasons provided by the rating agency for such downward revision. However as confirmed by the Company, the Company had an RP Rating and therefore the Company had already requested Credit Rating Agency should withdraw the rating as per the Company’s communication dated 24th December, 2021, since the credit rating was not asked by the Company and accordingly, as confirmed by the company, it was not required to be filed with the stock exchanges.
 - Outcome of the meeting including the financial results for the Quarter ended March 31, 2021 were intimated beyond the prescribed time to the Stock exchanges. The Company has received a letter from BSE and NSE dated 14.07.2021 regarding the same.
2. Pursuant to Regulation 33(3)(d) of SEBI (Listing Obligations and Disclosure Requirements), 2015 read with circular issued therein, the Company has submitted the Audited Financial Results for FY 2020-21 and the Statement of Impact of Audit Qualification and declaration regarding qualifications in the Auditors’ Report. However, the Company has not included the Comments of the Auditors with regard to the Management’s view on qualification made by the Auditors.
3. The Audited financial results for the year ended March 31, 2021 were due to be submitted to the stock exchanges on 30.06.2021 considering the relaxation provided by SEBI. The Board has approved the Audited financial results on 05th July, 2021 and submitted thereafter. The Company has received show cause notice from both the Stock Exchanges i.e. National Stock Exchange of India Ltd. and BSE Ltd., imposing penalty of Rs. 29,500/- each for the late submission of the Audited Financial Results for the year ended 31st March, 2021.
4. As per the provisions of Section 179 of the Companies Act, 2013 and Secretarial Standards-1 issued by The Institute of Company Secretaries of India and notified by Ministry of Corporate Affairs, Borrowing money otherwise than by issue of debentures shall not be passed via Circular Resolution, however Company has passed Circular Resolution for the same.
5. Pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements), 2015, the Company has received a letter from NSE dated 14th July, 2021 regarding non-signing of Statement on Impact of Audit Qualifications by Chief Financial Officer. The Company vide its communication dated 15th July, 2021 submitted to the NSE that during that period, there was no Chief Financial officer of the Company and therefore, the same could not be signed by Chief Financial Officer. As confirmed by the management, no further communication received from NSE in that respect.
6. The Company has received advisory letters from BSE and NSE vide their communication dated 23rd November, 2021 under Regulation 30 of SEBI (Listing Obligations and Disclosure) Regulations, 2015, regarding the irregularities observed with respect to the disclosures filed by the Company on 06th July, 2021 pertaining to “One-time Restructuring of debts with banks” and “Corporate Insolvency Resolution Process for Leading Hotels Limited, the material subsidiary of the Company. The said letter was noted by the Board with directions to exercise adequate due diligence regarding disclosure made on material events/incidents in compliance with the said regulations in true letter and spirit.

We further report that,

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes, if any, in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board/ Committee Meetings. Agenda and detailed notes on agenda were sent in advance (and at a shorter notice for which necessary approvals obtained, if any) and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

ASIAN HOTELS (NORTH) LIMITED

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the Company has following specific events / actions that had a bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.:

1. As confirmed by the Management of the Company during the review period, YES Bank Limited ("Bank") invoked the pledge pertaining to 5,85,064 equity shares on 11th November, 2021 held by Asian Holdings Private Limited (Promoter Entity). The Promoter entity has filed a case in the Hon'ble High Court of Delhi against the Bank for illegal revocation of said shares held by the Bank and the Hon'ble High Court of Delhi has granted a stay order in the matter and asked both the Promoter Entity and Bank to maintain status quo.
2. As Confirmed by the Management of the Company during the review period, One Time Restructuring Plan was approved by all the Bankers individually except IndusInd Bank. The approval of 60% of the bankers by numbers, representing 75% of the outstanding debt amount has been received thus OTR is considered and approved. However, due to the actions of Yes Bank Limited, there have been impediments being faced in implementation. The same is being discussed at the Joint Lender Meeting.

ANNEXURE 'C' FORMING PART OF THE DIRECTORS' REPORT

Disclosure under Section 197(12) of the Companies Act, 2013 (the Act) read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

1. **Ratio of the remuneration of each director to the median remuneration of the employees of the Company for the financial year ended 31st March, 2022:**

Name of the Director	Nature of Directorship	Ratio
Mr. Shiv Kumar Jatia*	Chairman & Managing Director	81.27:1
Mr. Amritesh Jatia#	Managing director	0
Mr. Ashish Dhanuka#	Executive Director	2.74:1

* Mr. Shiv Kumar Jatia resigned from the office of Director effective 21st October, 2021 and the ratio is calculated on the basis of his annualized salary.

Mr. Amritesh Jatia and Mr. Ashish Dhanuka were appointed as Managing Director and Executive Director respectively with effect from 23rd October, 2021

As the Company suffered loss, no commission was paid to the Non-executive Directors for the year under review. Non-executive directors were paid only the sitting fee for attending the meetings of the Board and Committees thereof. Accordingly, the calculation of required ratio, only on the basis of sitting fee paid would not be appropriate.

2. **The percentage increase in remuneration of each director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year:**

Name of the Director/KMP	Office held	Increase/(Decrease) (%)
Mr. Shiv Kumar Jatia*	Chairman & Managing Director	Nil
Mr. Dinesh Kumar Jain**	Company Secretary	Nil

* Mr. Shiv Kumar Jatia resigned effective 21st October, 2021

** Mr. Dinesh Kumar Jain resigned effective 8th June, 2021

Mr. Amritesh Jatia was appointed as Managing Director with effect from 23rd October, 2021. He received no remuneration during the financial year ending 31st March, 2022

Mr. Ashish Dhanuka was appointed as Chief Financial Officer on 24th July, 2021 and further he was appointed as an Executive Director with effect from 23rd October, 2021. He received remuneration of Rs. 932114/- during the financial 2021-22.

Ms. Saumya Goel was appointed as Company Secretary effective 11th August, 2021 and resigned from her office effective 20th May, 2022. She received remuneration of Rs. 657673/- during her tenure.

Non-executive directors are paid commission on profit as remuneration. Further, they are paid sitting fees for attending the meetings of the Board and Committees thereof. As mentioned above, due to the loss suffered by the Company, no commission was paid to any director in respect of the year under review. Hence, there is no case for increase in remuneration of any non-executive directors.

3. **The percentage increase/(decrease) in the median remuneration of employees in the financial year under review: (5.62%)**
4. **The number of permanent employees on the rolls of Company as on 31st March, 2022: 620**
5. **Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:**

Average percentage increase in salary of all employees (other than the Managing Director and Executive Director) during the year under review is 4.0 %

There was no increase in the remuneration paid to Mr. Shiv Kumar Jatia, Managing Director, hence the average percentage increase is 0%. He was paid the remuneration in accordance with the shareholders' approvals obtained within the limits prescribed under Schedule V of the Act, as applicable. Any component paid in excess is recovered from the concerned person.

6. **Affirmation that the remuneration is as per the remuneration policy of the company:**

The remuneration paid is as per the Nomination, Remuneration and Evaluation Policy of the Company.

ANNEXURE 'E' FORMING PART OF THE DIRECTORS' REPORT

CORPORATE GOVERNANCE REPORT

COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Corporate governance is about commitment to values and ethical business conduct. It implies application of those values and ethics to manage day to day affairs and dealings with all the stakeholders. It is about how an organization is managed. Further, dissemination of timely and accurate information regarding financial position and general state of affairs of the entity is an important part of corporate governance.

The Company is committed to good governance practices while conducting its business and endeavors to uphold the core concept of Corporate Governance. The four pillars, on which the corporate governance rests, are transparency, integrity, accountability and compliance of laws, and Asian Hotels (North) Limited ('the Company'), has imbibed these principles and endeavors to follow these diligently.

Pursuant to the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations"), the Company's 'Corporate Governance Report' is given below:

BOARD OF DIRECTORS

In consonance with the requirements of Regulation 17 of the Listing Regulations, the Board of Directors of the Company is constituted of an appropriate mix of executive and non-executive directors on one hand, and an adequate number of independent directors from amongst the non-executive directors, on the other hand, to maintain the Board's independence, and to ensure exercising effective governance and control over its executive functioning. At the beginning of the year under review, the Board had six directors comprising three independent non-executive directors, two non-executive non-independent directors, and one executive director being the Chairman & Managing Director.

During the year under review, there were changes in the composition of Board of Directors of the Company and its constitution was in compliance with the provisions of the Companies Act, 2013 (the Act) and Listing Regulations. The changes in the composition of Board of Directors are given below:

- Mr. Dinesh Chandra Kothari, Independent Non-Executive Director due to his pre-occupation resigned from the office of Director of the Company w.e.f. 10th August, 2021 and also confirmed that there was no other material reason whatsoever for his resignation;
- Dr. Rajeev Uberoi, was appointed as an Additional Director in the capacity of an Independent Non-Executive Director by the Board in its meeting held on 11th August, 2021 to hold office for a term of five consecutive years i.e. upto 10th August, 2026 and in the 40th AGM shareholders approved his appointment as an Independent Non-Executive Director of the Company;*
- Mr. Sanjeev Agarwala, was appointed as an Additional Director in the capacity of Independent Non-Executive Director by the Board vide Circular Resolution No. 9/2021-22 dated 4th October, 2021 to hold the office for a term of two consecutive years i.e. upto 3rd October, 2023 subject to the regularisation of the appointment by the shareholders in the ensuing Annual General Meeting of the Company;
- Mr. Shiv Kumar Jatia, Chairman & Managing Director resigned from the office of Director of the Company effective from 21st October, 2021;
- Mr. Amritesh Jatia was appointed as Managing Director of the Company by the Board of Directors in its meeting held on 23rd October, 2021 for a period of five years i.e. upto 22nd October, 2026, not liable to retire by rotation subject to the approval of shareholders in the ensuing Annual General Meeting of the Company, resulted into change in his designation from Non-Executive Director to Managing Director of the Company.
- Mr. Ashish Dhanuka has been appointed as an Additional Director in the capacity of Whole Time Director (designated as an Executive Director and Chief Financial Officer) by the Board in its meeting held on 23rd October, 2021 for a period of three years i.e. upto 22nd October, 2024, liable to retire by rotation.
- Dr. Lalit Bhasin, Independent Non-Executive Director, resigned before the expiry of his tenure from the office of Director of the Company effective from 8th November, 2021 due to personal reason, age factor and professional commitments and also confirmed that there was no other material reason whatsoever for his resignation;

*Dr. Rajeev Uberoi resigned from the office of Board of Directors of the Company on 10th April, 2022 due to his professional preoccupation.

At the 40th Annual General Meeting of the Company held on 29th September, 2021 the following resolutions were approved and adopted relating to directorships:

During the year under review, all independent non-executive directors have confirmed and submitted declaration to the effect that they meet the criteria of independence as laid down under Section 149 and 150 and rules framed thereunder and other applicable provisions of the Act read with relevant regulations of the Listing Regulations. Independent non-executive directors have also submitted declarations for the financial year 2022-23 confirming that they continue to meet the criteria of independence as laid down under aforesaid provisions. Further, they have confirmed that they have obtained registration with the Indian Institute of Corporate Affairs as an Independent Director and such registration continues to be valid; and that they shall ensure renewal of such registration within a period of thirty days from the date of its expiry, as applicable; and that they shall pass the Online Proficiency Self-Assessment Test conducted by the above named institute within a period of two years from the date of inclusion of their respective names in the databank, if applicable, in pursuance of Section 150 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and the Companies (Creation and Maintenance of Databank of Independent Directors) Rules, 2019. Further, in terms of Regulation 25(8) of the Listing Regulations, they have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. Reliance was placed on these confirmations/declarations while ascertaining the adequacy of number of independent directors for the purposes of compliance with Regulation 17 and other applicable regulations of the Listing Regulations.

In the opinion of the Board, the independent non-executive directors fulfill the conditions specified under Section 149 of the Act and the Listing Regulations, as amended, and that they are independent of the management.

Related Party Transactions

The Board of Directors of the Company has revised, approved and adopted 'Policy for Related Party Transactions', which has been uploaded on the website of the Company and can be accessed at <http://www.asianhotelnorth.com/pdf/FY2223/Policy%20for%20Related%20Party%20Transactions%20as%20on%2001.04.2022.pdf>

There were no materially significant related party transactions that may have had potential conflict with the interest of the Company at large. Details of related party transactions i.e. transactions of the Company with its promoters, directors, key managerial personnel or their relatives and subsidiaries of the Company are detailed under Note 41 to the Stand-alone Financial Statements. The Board certifies that these transactions are in the ordinary course of business, and are on an arm's length basis. These transactions have been approved by the Audit Committee and the Board of Directors from time to time. Save as otherwise detailed above, the directors and key managerial personnel had no pecuniary relationship or transactions with the Company during the year under review.

Policy for Determining Material Subsidiaries

In compliance with Regulation 24 of the Listing Regulations, the audit committee of the Company reviews the consolidated financial statements of the Company and the investments made by its unlisted subsidiary companies. The minutes of the Board meetings along with a report on significant developments of the unlisted subsidiary companies are periodically placed before the Board of Directors of the Company.

The Board of Directors of the Company had approved and adopted 'Policy for Determining Material Subsidiaries', which has been uploaded on the website of the Company and can be accessed at <http://www.asianhotelnorth.com/pdf/PolicyforDeterminingMaterialSubsidiarieseffective01042019.pdf>

Risk Assessment and Minimization Procedure

The Company's Board is conscious of the need to periodically undertake the risk assessment, and minimization procedures there-for.

The Board of Directors in its meeting held on 11th August, 2021 placed and approved the Risk Management Policy, pursuant to the provisions of Section 134 of the Companies Act, 2013 to identify and evaluate business risks and opportunities for mitigation of the same on a continual basis. This framework seeks to create transparency, minimize adverse impact on business objective and enhance Company's competitive advantage. In your company, risks are carefully mapped and a risk management framework is involved. The Company is faced with different types of risks, each of such risks requires different approaches for mitigation. Risk Management Policy lays down the process for identification and mitigation of risks. The policy is available on the website of the Company and can be assessed at http://www.asianhotelnorth.com/pdf/RiskManagementPolicy11082011_8Sep2021.pdf

Further, based on the market capitalization of the Company, the provisions relating to the formation of a Risk Management Committee is not applicable to the Company.

Certificate from a Company Secretary in Practice

M/s. Chandrasekaran Associates, Company Secretaries, has issued a certificate as required under the Listing Regulations, confirming that none of the directors on the Board of the Company has been debarred or disqualified from being appointed or continuing as director of companies by the SEBI/Ministry of Corporate Affairs or any such statutory authority.

The aforesaid certificate is enclosed as **Annexure III** to this report.

Details of non-compliances by the Company, penalties, and strictures imposed on the Company by Stock Exchanges or SEBI, or any other statutory authority on any matter related to capital markets, during the last three years:

Timely compliance of multifarious and complex regulatory framework is always a challenge. Compliance status of all applicable laws is reviewed by the Board on quarterly basis.

During the period ended on 31st March, 2020, there was delay in filing of Audited Financial Results on both Stock exchanges i.e. BSE Ltd. (BSE) and National Stock Exchange of India Limited (NSE) by 12 days and subsequently both the Stock Exchanges imposed the penalty of Rs. 59,000 each, which eventually submitted by the Company. Further during the period ended on 31st March, 2021, there was delay in filing of Audited Financial Results on both Stock exchanges i.e. BSE Ltd. (BSE) and National Stock Exchange of India Limited (NSE) by 5 days and subsequently both the Stock Exchanges imposed the penalty of Rs. 29,500 each, which eventually submitted by the Company.

The above mentioned penalties were imposed on the Company because it could not finalize the financial results of the year 2020-21 and 2021-22 within the stipulated time due to disruption of work caused by the prolonged lock-down enforced to contain the prevailing global pandemic COVID 19. Even after the lock-down was relaxed, restrictions on movement and non-availability of public transportation severally impacted the attendance. Moreover, due to the similar reasons, the Auditors' offices were also sparsely operational for a long time due to which audit was also delayed.

There has been no instance of non-compliance by the Company on any matter related to capital markets during the last three years and hence no penalties or strictures have been imposed on the Company by SEBI, or any other statutory authority.

Further, the Company has generally been in compliance with corporate governance requirements as specified in Regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of the Listing Regulations except few cases of non-compliance which has been mentioned in the Directors Report along with management's reply on the same.

Share Transfer System

SEBI has mandated that, effective from 01 April 2019, no share can be transferred in physical mode. Hence, the Company has stopped accepting any fresh lodgment of transfer of shares in physical form. The Company had sent communication to the shareholders encouraging them to dematerialise their holding in the Company. The communication, inter alia, contained procedure for getting the shares dematerialised. Shareholders holding shares in physical form are advised to avail the facility of dematerialisation.

During the year, the Company had obtained, on yearly basis, a certificate, from a Company Secretary in Practice, certifying that the Company has not received any request relating to registration of share transfer during FY 2021-22. The Company has also not received request for consolidation, sub-division, renewal, exchange or endorsement as required under Regulation 40(9) of the Listing Regulations and filed a copy of the said certificate with the Stock Exchanges. Trading in equity shares of the Company is permitted only in dematerialised form. Transfer of dematerialised shares is done through the depositories with no involvement of the Company.

Dividend Information

The Company keeps uploading regularly, on its website as also on the website of the Ministry of Corporate Affairs, Government of India (MCA), complete details of unpaid/unclaimed dividends from time to time. Further, in an endeavor to serve its shareholders, the Company has been notifying the shareholders about the dividends which remain unpaid/unclaimed, by sending them individual reminders from time to time.

Any amount described under Section 125(2) of the Act, including dividend, which remains unpaid/unclaimed for a period of seven years from the date of transfer to unclaimed dividend account is required to be transferred by the Company in accordance with the provisions of Section 124(5) of the Act, to the Investor Education and Protection Fund (IEPF) established by the Central Government. Accordingly, during the year under review, the unpaid/unclaimed dividend for the financial year 2013-14 was transferred to the IEPF. Further, Section 124(6) of the Act requires that all shares in respect of which dividend has been unpaid/unclaimed for a period of seven consecutive years shall also be transferred to IEPF Authority.

Accordingly, during the year under review, the unpaid/unclaimed dividend for the financial year 2013-14 was transferred to the IEPF Authority. Moreover, 19786 equity shares, held by 365 beneficial owners/shareholders of the Company, in respect of which dividend for the relevant financial year ended 31st March, 2014 remained unpaid/unclaimed consecutively for a period of seven years up-to 31st October, 2021, were also transferred to IEPF Authority.

The members who have a claim on above dividends and shares may claim the same from IEPF Authority by submitting an online application in the prescribed Form No. IEPF-5 available on the website www.iepf.gov.in and sending a physical copy of the same, duly signed, to the Company along with requisite documents enumerated in the Form No. IEPF-5.

No dividend has been paid by the Company for the FY 2014-15 onwards

ASIAN HOTELS (NORTH) LIMITED

Independent Auditor's Report

To the Members of Asian Hotels (North) Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Asian Hotels (North) Limited ("the Company"), which comprises of the balance sheet as at 31st March 2022, and the statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs as at 31 March 2022, and its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Emphasis of Matters

We draw attention to the following matters in the Notes to the standalone financial statements:

A. Contingent Liabilities

We draw attention to Note 34 which describes the uncertainty related to the outcome of certain disputes and law-suits filed against the Company. The impact (if any) of these disputes/law-suits on the standalone financial statements of the Company could not be ascertained.

B. Implications owing to COVID-19 Pandemic

We draw attention to Note 40 with reference to implications of Covid-19 pandemic. The business of the Company was significantly impacted due to COVID-19. Hotel was only partially operating for the first three months on account of Second Covid Wave in the country. The Company has assessed the impact of COVID-19 on the future cash flow projections. The Company has also prepared a range of scenarios to estimate financing requirements. The Company has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, investments, trade receivables, inventories and other current assets appearing in the financial statements of the Company.

Based on the current indicators of future economic conditions, the Company expects to recover the carrying value of these assets. The impact assessment of COVID-19 is a continuous process given the uncertainties associated with its nature and duration and actual results may differ materially from these estimates. The Company will continue to monitor the material changes in future economic conditions and would recognize any significant impact of these changes affecting the Company, in the financial statements, as and when these conditions arise.

C. One Time Restructuring & Status of Repayments

We draw attention to Note 18 to the Financial Statements relating to long term borrowings. As a fallout of the COVID-19 in India in April 2020, the RBI had issued Resolution Framework for One Time Restructuring. In accordance to the same, the financial institution lenders (5 No.s) entered into a Inter-Creditor Agreement on December 09, 2020 invoking the resolution process. As per the Guidelines, once the resolution is invoked, it needs to be implemented within 6 months, i.e., by June 08, 2021.

Under the terms of the One Time Restructuring, the Company was required to infuse additional funds by way of CRE Sales and also equity investment. However, the Company was unable to do either due to reasons specified in the said Notes. Accordingly, the Company has been unable to repay Installments due on March 31, 2022 as per OTR Sanction letter issued by the respective banks amounting to Rs. 4812.72 Lakhs (in aggregate for all banks taken together) due to inability to monetize CRE Assets located in hotel premises.

As per Note 18 to the Financial Statements, as per the management, the delay has been due to non-receipt of NOC for such sale from the lender banks despite several reminders. The management is in discussion with the lenders to permit such sales by issuing the required NOC and provide an updated repayment schedule in line with the same.

D. Current Status of Business Operations

We draw attention to Note 45 to the Financial Statements relating to the Current Status of Business Operations. The COVID-19 outbreak and subsequent nationwide restrictions have adversely impacted the business operations of financial year ended March 31, 2022 (and continuing) in terms of room occupancy as well as food, beverages and other income of Hotel "Hyatt Regency Delhi" owned by the Company. Further, Commercial Real Estate Sales ("CRE") activity of the company has also come to halt during this period.

As a result, there were severe cash flows mismatch which has impacted the financial performance and liquidity position of the company. Due to the above reasons and also due to creation of Provision of Diminution in the Value of Investment in the subsidiary in FY 2020-21, the net worth of the Company as at March 31, 2022 has continued to be hit.

ASIAN HOTELS (NORTH) LIMITED

In line with the One Time Restructuring which was approved by the majority of the lenders, the Company was required to infuse funds in the Company through CRE Sales and further equity infusion. However, the Company was unable to achieve the same due to non-receipt of NOC from the lenders and recall of loan by one of the lender's which prevented equity infusion. The reasons regarding lack of CRE Sales and inability for equity infusion are detailed in Note 45 to the Financial Statements.

As per the information given to us, the management is confident of resolving the issues with the lenders soon so that the NOC will be received and the Company will be able to infuse the required funds through CRE Sales and equity infusion.

Further, with the resumption of scheduled international flights and seamless travel for the vaccinated passengers from major inbound tourism countries, the Company is witnessing rapid rebound in international tourist arrivals and uptake in Events and MICE segment since April 2022.

Above factors and expected future improvement in business operations will be critical for the Company to continue as a Going Concern.

Our opinion is not modified in respect of the above matters "A" to "D" above.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter Description	Response to Key Audit Matter
<p>A. Assessment of recoverability of Deferred Tax Assets recognized on tax losses (Refer Note 8 to the Financial Statements.)</p> <ul style="list-style-type: none"> - The Company has recognised deferred tax assets on unabsorbed depreciation and deductions based on actual payments (together hereinafter referred to as "tax losses") carried forward from the previous years as well as current year losses. The assets have been recognised on the basis of the Company's assessment of availability of future taxable profit to offset such tax losses based on business projections for the future years. - The recoverability of the deferred tax assets depends upon factors such as the projected taxable profitability of business and the period considered for such projections, the rate at which those profits will be taxed and the period over which tax losses will be available for recovery. <p>This was considered as a key audit matter as the amount is material to the financial statements and significant judgement in key assumptions was required by the Company's Management in the preparation of forecasts of future taxable profits based on the underlying business plans.</p>	<p>Principal Audit Procedures</p> <p>Our procedures included, amongst others, the following:</p> <ul style="list-style-type: none"> (i) Evaluation of the design and testing pertaining to effectiveness of Company's controls relating to taxation and the assessment of carrying amount of deferred tax assets relating to unabsorbed tax losses; (ii) Assessing the reasonableness of the period of projections used in the deferred tax asset recoverability assessment considering that the Company operates in a highly competitive industry which is subject to disruptions through changing macro scenario; (iii) Comparing the Company's performance for the year with the approved budget to assess the reasonableness of the assumptions; (iv) Comparing the Company's projections of future taxable profit to the approved business plans; (v) Testing, whether projections prepared were consistent with our understanding and knowledge of current business and the general economic environment in which the Company operates and whether the tax losses can be utilized within the forecast recoupment period; (vi) Testing the assumptions used by analyzing the impact on taxable profit using different growth rates and profit margins; (vii) Reviewing the adequacy of disclosures made in the financial statements with regard to deferred taxes. <p>Based on the above procedures performed, our testing did not identify any material exceptions with respect to the reasonability of the assumptions and estimates used by the management in assessing the recoverability of Deferred Tax Asset recognised in respect of tax Losses in the past. However, the evaluation process is ongoing and in case of non-realization of the planned results, the Deferred Tax Asset already recognized in the past may require reversal in line with the relevant accounting standards.</p>

ASIAN HOTELS (NORTH) LIMITED

<p>B. Assessment of ability to continue as Going Concern</p> <ul style="list-style-type: none"> - The Company has incurred operational losses during FY 2021-22 on account of COVID-19 situation and consequent erosion of capital and related crunch. - Due to the creation of provision for diminution in the value of investment in the Subsidiary Company in FY 2020-21, the Net Worth of the Company as at March 31, 2022 has continued to be hit. - The Company had approached the lenders for One Time Restructuring and that majority lenders had invoked the One Time Restructuring plan in line with RBI Resolution Framework. - The Company was unable to repay its loan instalments as per the One Time Restructuring Plan on account of non-receipt of NOC for CRE sales from the lenders and action by taken by a lender to recall the loan due to which proposed equity infusion by the prospective investor did not go through. - The ability of the Company to resolve the ongoing issues with the lenders w.r.t to the restructuring and securing the desired NOC for completing the CRE Sales, achieving planned equity infusion and alongwith continued improvement in business operations will be critical in its continuation as a Going Concern. <p>This was considered as a key audit matter as the ability to continue as a going concern is material to the preparation of financial statements.</p>	<p>Our procedures included, amongst others, the following:</p> <ul style="list-style-type: none"> (i) Evaluation of the design and testing pertaining to effectiveness of Company's controls relating to evaluation of Going Concern Assumption; (ii) Assessing the reasonableness of the period of projections used in One Time Restructuring Proposals submitted to the lenders under RBI Resolution Framework for resolution of stressed assets on account of COVID-19 situation; (iii) Reviewing actions undertaken by management to monetize CRE Assets; (iv) Comparing the Company's projections of future taxable profit to the approved business plans; (v) Evaluation of Financial Results of Companies operating in Comparable segments / industries and impact of COVID-19 thereon; (vi) Reviewing the adequacy of disclosures made in the financial statements with regard to Status of Business Operations. <p>Based on the above procedures performed, our testing did not identify any material exceptions with respect to the reasonability of the usage of Going Concern assumption as at March 31, 2022. However, the same will be subject to on-going review and assessment during FY 2022-23 as the ability of the Company to continue as a Going Concern will be greatly dependent on the CRE Sales, Equity Infusion and Improved Business Operations.</p>

Other Matters

The Company has total MSME dues as at March 31, 2022 amounting to INR 154.31 Lakhs which are outstanding for a period beyond 45 days as stipulated in the Micro, Small and Medium Enterprises Act, 2006. As per Section 16 of the said Act, the Company is required to pay interest on such delayed payments amounting to INR 11.31 Lakhs. As per the Company, the delay in payments is on account of temporary financial difficulties which have increased on account of COVID-19 situation affecting the Hospitality Industry in particular and that it will clear all MSME dues at the earliest.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

ASIAN HOTELS (NORTH) LIMITED

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.

(A) As required by Section 143 (3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;

ASIAN HOTELS (NORTH) LIMITED

- d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of the written representations received from the directors as on 31st March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. the Company has disclosed the impact, wherever necessary, of pending litigations on its financial position in its financial statements - Refer Note 34 to the financial statements;
 - ii. the Company has made provision, as required under the applicable law or Indian Accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The Management has represented that, during the financial year ending March 31, 2022, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - v. The Management has represented, that, during the financial year ending March 31, 2022, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - vi. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.
 - vii. The company has not declared or paid any dividend during the financial year ended 31st March, 2022 and thus the reporting requirement as per Rule 11(f) is not applicable.

- (C) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure - B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Asian Hotels (North) Limited ("the Company") as of 31st March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were generally operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

1. CORPORATE INFORMATION

Asian Hotels (North) Limited ("the Company") is a public limited company domiciled in India and is listed on the National Stock Exchange (NSE) and the Bombay Stock Exchange (BSE). The Company is operating a Five Star Deluxe Hotel, namely Hyatt Regency in Delhi since 1982.

2. BASIS OF PREPARATION

For the year ended 31st March 2022, the Company has prepared its financial statements in accordance with the Indian Accounting Standards notified under Section 133 of the companies Act 2013, read together with Companies (Accounts) Rules 2014 (Ind AS). The financial statements have been prepared on historical cost basis, except certain financial assets and liabilities which have been measured at fair value, defined benefits plans and contingent consideration. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purposes of current / non-current classification of assets and liabilities.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2A. USE OF ESTIMATES

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be adjusted due to estimates and assumptions turning out to be different from those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

- a) Estimation of current tax expense and payable – Refer accounting policies - 3.9
- b) Estimated useful life of property, plant & equipment and intangible assets – Refer accounting policies - 3.1
- c) Estimation of defined benefit obligation – Refer accounting policies - 3.8
- d) Estimation of fair values of contingent liabilities - Refer accounting policies - 3.12
- e) Recognition of revenue - Refer accounting policies - 3.4

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

2A. USE OF ESTIMATES...contd.

- f) Recognition of deferred tax assets for carried forward tax losses – Refer accounting policies - 3.9
- g) Impairment of financial assets – Refer accounting policies - 3.2 & 3.5

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, Plant and Equipment:

Property, Plant and Equipment are stated at original cost (including any revalued amount) net of tax / duty credit availed, less accumulated depreciation, and accumulated and accumulated impairment losses, if any. Costs include financing costs of borrowed funds attributable to acquisition or construction of fixed assets, up to the date the assets are put-to-use. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Where components of an asset are significant in value in relation to the total value of the asset as a whole, and they have substantially different economic lives as compared to principal item of the asset, they are recognized separately as independent items and are depreciated over their estimated economic useful lives. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred unless they meet the recognition criteria for capitalization under Property, Plant and Equipment

Tangible Fixed Assets:

- (a) Depreciation is charged using straight line method on the basis of the expected useful life as specified in Schedule II to the Act. A residual value of 5% (as prescribed in Schedule II to the Act) of the cost of the assets is used for the purpose of calculating the depreciation charge. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. However, management reviews the residual values, useful lives and methods of depreciation of property, plant and equipment at each reporting period end and any revision to these is recognized prospectively in current and future periods.
- (b) Depreciation on leasehold improvements is being charged equally over the period of the lease.
- (c) Depreciation on the increased amount of assets due to revaluation is computed on the basis of residual life of the assets as estimated by the valuer on straight line method and charged to Revaluation Reserve and credited to the Other Comprehensive Income based on guidance provided by "Application Guide on the Provisions of Schedule II to the Companies Act, 2013" issued by the Institute of Chartered Accountants of India read with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2016 as amended by the Companies (Indian Accounting standards) (Amendment) Rules, 2016.
- (d) No depreciation is charged on the assets sold/ discarded during the year.
- (e) On transition to Ind AS, the Company had elected to measure its Property, Plant and Equipment at cost as per Ind AS. Further, as per the requirement of paragraph 11 of Ind AS 101, outstanding amount in the revaluation reserve is transferred to retained earning account. This is because after transition, the Company is no longer applying the revaluation model of Ind AS 16, instead it has elected to apply the cost model approach.

Intangible Assets:

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

An item of intangible asset initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset [calculated as the difference between the net disposal proceeds and the carrying amount of the asset] is included in the income statement when the asset is derecognized. Intangible fixed assets are amortized on straight line basis over their estimated useful economic life.

Capital Work- in- progress

Capital work- in- progress represents directly attributable costs of construction to be capitalized. All other expenses including interest incurred during construction period are capitalized as a part of the construction cost to the extent to which these expenditures are attributable to the construction as per Ind AS-23 "Borrowing Costs". Interest income earned on temporary investment of funds brought in for the project during construction period are set off from the interest expense accounted for as expenditure during the construction period.

3.2 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the

Company measures it on the basis of discounted cash flow projections estimated based on current prices. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

In respect of the subsidiaries assets at each balance sheet date, the impairment testing is based on the realizable value of underlying assets as tested by the Board of Directors of the subsidiary.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Impairment losses of continuing operations, including impairment on inventories, are recognized in profit and loss section of the statement of profit and loss, except for properties previously revalued with the revaluation taken to other comprehensive Income (the 'OCI'). For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation.

3.3 Foreign Currency Transactions

The Company's financial statements are presented in INR, which is also the Company's functional currency.

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are measured in terms of historical costs denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements including receivables and payables which are likely to be settled in foreseeable future, are recognized as income or as expenses in the year in which they arise. All other exchange differences are recognized as income or as expenses in the period in which they arise.

The gain or loss arising on translation of non-monetary items is recognized in line with the gain or loss of the item that give rise to the translation difference (i.e. translation difference on items whose gain or loss is recognized in other comprehensive income or the statement of profit and loss is also recognized in other comprehensive income or the statement of profit and loss respectively).

3.4 Revenue recognition

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant. Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

- (i) Revenue from rendering of hospitality services is recognized when the related services are performed and billed to the customer or the agreed milestones are achieved and are net of service tax and Goods and Service Tax (GST), wherever applicable.
- (ii) For all debt instruments measured either at amortized cost or at fair value through other comprehensive income [OCI], interest income is recorded using the effective interest rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument [for example, prepayment, extension, call and similar options] but does not consider the expected credit losses.
- (iii) Dividend income from investments is recognized when the Company's right to receive payment is established which is generally when shareholders approve the dividend.
- (iv) Income from generation of electricity is recognized when the actual generated units are transferred and billed to the buyer.
- (v) Income from hiring of vehicles is recognized on accrual basis on the basis of agreed rate.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognized on the settlement date, trade date, i.e., the date that the Company settle commits to purchase or sell the asset.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

i. Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held with an objective of collecting contractual cash flows
- Contractual terms of the asset give rise on specified dates to cash flows that are "solely payments of principal and interest" [SPPI] on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate [EIR] method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

ii. Debt instruments at fair value through other comprehensive income [FVTOCI]:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The asset is held with objective of both - for collecting contractual cash flows and selling the financial assets
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income [OCI]. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

iii. Debt instruments, derivatives and equity instruments at fair value through profit or loss [FVTPL]:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

iv. Equity instruments measured at fair value through other comprehensive income [FVTOCI]:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company has made such election on an instrument by- by instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

3. SIGNIFICANT ACCOUNTING POLICIES...contd.

c. Derecognition:

A financial asset is primarily derecognized when:

- i. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either [a] the Company has transferred substantially all the risks and rewards of the asset, or [b] the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- ii. the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

d. Impairment of financial assets:

In accordance with Ind AS 109, the Company applies expected credit loss [ECL] model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, deposits, trade receivables and bank balance
- b. Trade receivables or any contractual right to receive cash
- c. Financial assets that are debt instruments and are measured as at FVTOCI
- d. Lease receivables under Ind AS 17
- e. Financial guarantee contracts which are not measured as at FVTPL

The Company follows 'simplified approach' for recognition of impairment loss allowance on Point c and d provided above. The application of simplified approach requires the company to recognize the impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive [i.e., all cash shortfalls], discounted at the original EIR.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

ECL impairment loss allowance [or reversal] recognized during the period is recognized as income/ expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

- a. Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance which reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.
- b. Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

B. Financial liabilities:

a. Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

3. SIGNIFICANT ACCOUNTING POLICIES...contd.

b. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

i. Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied for liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

ii. Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

iii. Financial guarantee contracts:

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

c. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

C. Reclassification of financial assets:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses [including impairment gains or losses] or interest.

D. Offsetting of financial instruments:

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of a principal market, in the most advantageous market for the asset or liability

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

3. SIGNIFICANT ACCOUNTING POLICIES...contd.

The principal or the most advantageous market must be accessible by the Company. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted [unadjusted] market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

3.7 Inventories

Inventories are valued at the lower of cost or net realizable value. The cost is determined by weighted average method. The net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

Operating equipment in circulation is valued at weighted average cost less estimated diminution in value on account of usage.

3.8 Retirement benefits

Retirement benefit costs for the year are determined on the following basis:

- (i) All employees are covered under contributory provident fund benefit of a contribution of 12% of salary. There is no obligation other than the contribution payable to the respective fund.
- (ii) The Company also provides for retirement benefits in the form of gratuity and compensated absences/ Leave encashment in pursuance of the Company leave rules. The Company's liability towards such defined benefit plans are determined based on valuations as at the Balance Sheet date made by independent actuaries. The classification of the Company's net obligation into current and non-current is as per the actuarial valuation report.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not classified to the statement of profit and loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset

3.9 Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 and tax laws prevailing in the respective tax jurisdictions where the Company operates. Current tax items are recognized in correlation to the underlying transaction either in P&L, OCI or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized on the basis of reasonable certainty that the company will be having sufficient future taxable profits and based on the same the DTA has been recognized in the books.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates [and tax laws] that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

3. SIGNIFICANT ACCOUNTING POLICIES...contd.

normal income tax during the specified period, i.e. the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement". The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes it down to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period and utilize the MAT Credit Entitlement.

3.10 Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing costs which are not specifically attributable to the acquisition, construction or production of a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a weighted average capitalization rate. The weighted average rate is taken of the borrowing costs applicable to the outstanding borrowings of the company during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized cannot exceed the amount of borrowing costs incurred during that period.

3.11 Earnings per equity share

Basic earnings per share is calculated by dividing the net profit or loss from continuing operation and total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

3.12 Provisions, Contingent Liabilities and Contingent Assets:

Provision is recognized when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made.

A disclosure for contingent liability is made when there is a possible obligation, that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are renewed at each balance sheet date.

3.13 Cash and Cash Equivalents

Cash and cash equivalent comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.14 Leases

The determination of whether an arrangement is [or contains] a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

- A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.
- Lease other than finance lease are operating lease and these leased assets are not recognized in the company's statement of financial position but are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. The Company is both a lessee and a lessor under such arrangements. Payments and receipts under such leases are charged or credited to the Statement of Profit and Loss on a straight-line basis over the primary period of the lease unless another systematic basis is more representative of the time pattern of the user's benefit.

3.15 Exceptional items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

* As a fallout of the COVID-19 in India in April 2020, the RBI had issued Resolution Framework for One Time Restructuring ("OTR"). In accordance to the same, the financial institution lenders (5 No.s) entered into a Inter-Creditor Agreement on December 10, 2020 invoking the resolution process. As per the Guidelines, once the resolution is invoked, it needs to be implemented within 6 months, i.e., by June 09, 2021. The OTR is for obtaining extension in repayment of principal, reduction in interest rates and conversion of accrued interest into Funded Interest Term Loans ("FITL"). Summary of Revised Interest Rates & Repayment terms are summarized below.

**The Company has been unable to repay Installments due on March 31, 2022 amounting to Rs. 4812.72 Lakhs (in aggregate for all banks taken together) as per OTR Sanction letter issued by the respective banks on account of inability to monetize CRE Assets located in hotel premises. As per the management, the delay has been due to non-receipt of NOC for such sale from the lender banks despite several reminders. The management is in discussion with the lenders to permit such sales by issuing the required NOC and provide a updated repayment schedule in line with the same.

36. DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19 EMPLOYEE BENEFITS...contd.

Economic Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long term risk free investments. The estimated term of the benefits/obligations works out to zero years. For the current valuation a discount rate of 7.18% p.a. (Previous Year 6.91% p.a.) compound has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long-term view as to trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

The assumptions used are summarized in the following table:

40. COVID 19 IMPLICATIONS

During the year, the business of the Company was significantly impacted due to COVID-19. Hotel was only partially operating for the first three months on account of Second Covid Wave in the country.

The Company has assessed the impact of COVID-19 on the future cash flow projections. The Company has also prepared a range of scenarios to estimate financing requirements. The Company has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, investments, trade receivables, inventories and other current assets appearing in the financial statements of the Company. Based on the current indicators of future economic conditions, the Company expects to recover the carrying value of these assets. The impact assessment of COVID-19 is a continuous process given the uncertainties associated with its nature and duration and actual results may differ materially from these estimates.

The Company will continue to monitor the material changes in future economic conditions and would recognize any significant impact of these changes affecting the Company, in the financial statements, as and when these conditions arise.

42. FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effects on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effects on the recorded fair value that are not based on observable market data.

43. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The company's financial risk management policy is set by the Managing Board.

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The company is not exposed to significant interest rate risk as at the specified reporting date.

Refer Note 19 and Note 22 for interest rate profile of the Company's interest-bearing financial instrument at the reporting date.

Foreign currency risk

The Company operates locally, however, the nature of its operations requires it to transact in several currencies and consequently the Company is exposed to foreign exchange risk in various foreign currencies.

The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies.

I. Foreign Currency Exposure

Refer Note 39 for foreign currency exposure as at March 31, 2022 and March 31, 2021 respectively.

II. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

Currency	2021-22		2020-21	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	(322.73)	322.73	(286.73)	286.73

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

43. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES..contd.

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is significant increase in credit risk the company compares the risk of a default occurring on the asset at the reporting date with the risk of default as the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- (i) Actual or expected significant adverse changes in business,
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation,
- (iv) Significant increase in credit risk on other financial instruments of the same counterparty.
- (v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit or loss.

43. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES..contd.

Liquidity Risk

Liquidity Risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flows.

Capital management

For the purposes of the Company's capital management, capital includes issued capital and all other equity reserves. The primary objective of the Company's Capital Management is to maximize shareholder value. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirement of the financial covenants.

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Note: 44 Additional Regulatory Information..contd.

Note :-

*Revaluation Reserve of Rs.41348.25 Lakhs (Rs. 42289.08 Lakhs in FY 2020-21) is considered as part of Shareholder's equity for the purpose of calculation of ratios.

Remarks for change in ratio by more than 25% with respect to previous year :-

Debt – Equity Ratio

Ratio is adverse because of continuous increase in Debts (due to capitalization of Interest & Creation of FITL) and decrease in Equity due to continuous loss.

Debt Service Coverage Ratio

Ratio is adverse as company unable to generate enough cash to service its outstanding Debts. There is negligible improvement in ratio due to partial recovery in the business considering the reduced impact of COVID-19.

Return on Equity (ROE)

Ratio has become more favourable as compared to previous year because of following reasons:-

- i) Reduction in losses as there are exceptional items during the current year unlike previous year.
- ii) Decreases in Average Shareholder's Equity because of continuous business loss being incurred.

Inventory Turnover Ratio & Trade receivables turnover ratio

Ratio has become more favourable as compared to previous year because last year due COVID- 19 pandemic operations of hotels & restaurants closed for substantial period during year which resulted in ineffective utilization of inventory & non receipt of dues from corporate clients.

Trade payables turnover ratio

Due to cash crunch company has been unable to repay its operational creditors which resulted in adverse ratio overall. However, there is slight improve due to recovery of business during the year and hence the ratio improved from 0.62 to 0.82 during the year.

Net capital turnover ratio

Ratio is negative because Working capital of the company is negative & the ratio has become more adverse because working capital pressure is more and the current liabilities exceed current assets by a higher amount during the current year as compared to the last year.

Net profit ratio

Ratio is adverse due to losses incurred by company. There is improvement in ratio as company has made operational profit during the year & unlike previous year there is no exceptional item during the current year.

Return on capital employed (ROCE)

- Ratio is in negative due to negative EBIT
- There is improvement in ratio as compared to last year due improvement in EBIT.
- ii) Registration of charges or satisfaction with Registrar of Companies (ROC)

There were 2 delays in filing. One for Registration of Charge and other for Satisfaction of Charge during the financial year 2021-22:

- a) Form CHG-4 pertaining to satisfaction of charge of loan amount of Rs. 1,61,60,342/- from SREI Equipment Finance Limited was filed beyond 30 days vide SRNo. T19669159 dated 21st May, 2021 and an additional fee of RS. 1200/- was paid along with normal fee of Rs. 600/- .The delay was due to the pandemic.
- b) Form CHG-1 submitted with MCA beyond 30 days vide SRN T39508361 dated 31.08.2021. This form pertain to charge creation regarding FITL for an amount of Rs. 44,80,000/- from Bank of Maharashtra. Additional fee of Rs. 3600/- was paid along with normal fee of Rs. 600/-. The delay was due to technical reasons.

Note: 45 : Current State of Business Operations

The COVID-19 outbreak and subsequent nationwide restrictions have adversely impacted the business operations of financial year ended March 31, 2022 (and continuing) in terms of room occupancy as well as food, beverages and other income of Hotel "Hyatt Regency Delhi" owned by the Company. Further, Commercial Real Estate Sales ("CRE") activity of the company has also come to halt during this period. The major reasons for stress, due to outbreak of Covid -19 are:

1. Travel Restrictions announced on international travel throughout the globe.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Note: 45 : Current State of Business Operations..contd.

2. Substantial decline in room occupancy level
3. Substantial decline in F & B and other support services income
4. Decline in income of restaurants
5. Increase in level of Debt due to regular interest application as fixed expenses
6. CRE activity of company also came to halt during pandemic period due to general economic slowdown in the country

As a result of above, there were severe cash flows mismatch which has impacted the financial performance and liquidity position of the company. Due to the above reasons and also due to creation of Provision of Diminution in the Value of Investment in the subsidiary in FY 2020-21, the net worth of the Company as at March 31, 2022 has continued to be hit adversely.

In line with the One Time Restructuring which was approved by the majority of the lenders, the Company was required to infuse funds in the Company through CRE Sales and further equity infusion. However, the Company was unable to achieve the same due to non-receipt of NOC from the lenders and illegal recall of loan by Yes Bank.

1. Status of CRE Sales and Additional Equity Infusion

a. CRE Sales

The Company had proposed sale of Rs. 72.35 Crore from the CRE component which could not be realized due to the non-receipt of the NOC from the lenders. Company had requested for the formal NOC from Banks vide letters dated March 14, 2022 (duly acknowledged by the Banks on March 29, 2022, however, no NOC was received except from Bank of Maharashtra, despite repeated reminders. Previously also, the Company received advance towards the Sale of CRE, however, the amounts had to be returned due to the non-receipt of the NOC from the lenders.

b. Additional Equity Infusion

The Company had received definitive interest to subscribe equity from a prospective Investor, to invest upto Rs. 190 Crores and the prospective investor had also met the lenders during the Joint Lenders Meeting dated March 14, 2022. However, equity infusion transaction could not be achieved due to actions taken by Yes Bank wherein the said Lender recalled the loan in contravention of the OTR Scheme. This adversely affected the business plans of the prospective investor as the lock in period applicable for the shares brought (Under Preferential Issue Norms) would be increased from 6 months to 3 years as per the Capital and Disclosure Requirements, if the investment is into companies having stressed assets. On May 10, 2022, the Company has received intimation from the National E-Governance Services Ltd that the loan recalled by Yes Bank has now been regularized.

2. Continuity as Going Concern

The management is confident of resolving the issues with the lenders soon so that the NOC will be given and the Company will be able to infuse the required funds through CRE Sales and equity infusion. The management further opines that the resumption of scheduled international flights by the Indian Government starting March 27, 2022 and seamless travel for the vaccinated passengers from major inbound tourism countries will have a positive impact going forward. The Company already is witnessing rapid rebound in international tourist arrivals and uptake in Events and MICE segment since April 2022 and that the operating profitability is improving significantly and it will be further aided by several cost reduction measures being adopted by the Company. These factors and expected future improvement in business operations will be critical for the Company to continue as a Going Concern.

Independent Auditor's Report

To the Members of Asian Hotels (North) Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Asian Hotels (North) Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the consolidated Balance Sheet as at March 31, 2022, the consolidated Statement of Profit and Loss including other comprehensive income, the consolidated Cash Flow Statement, the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Subject to foregoing, in our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2022, and its consolidated loss, total consolidated comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Emphasis of Matters

We draw attention to the following matters in the Notes to the Consolidated financial statements:

A. Contingent Liabilities

Refer Note 35 which describes the uncertainty related to the outcome of certain disputes and law-suits filed against the Group. The impact (if any) of these disputes/law-suits on the Consolidated financial statements of the Group could not be ascertained.

B. Implications owing to COVID-19 Pandemic

Refer Note 41 with reference to implications of Covid-19 pandemic. the business of the Group was significantly impacted due to COVID-19. Hotel was only partially operating for the first three months on account of Second Covid Wave in the country. The Group has assessed the impact of COVID-19 on the future cash flow projections. The Group has also prepared a range of scenarios to estimate financing requirements. The Group has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, investments, trade receivables, inventories and other current assets appearing in the consolidated financial statements of the Group.

Based on the current indicators of future economic conditions, the Group expects to recover the carrying value of these assets. The impact assessment of COVID-19 is a continuous process given the uncertainties associated with its nature and duration and actual results may differ materially from these estimates. The Group will continue to monitor the material changes in future economic conditions and would recognize any significant impact of these changes affecting the Group, in the consolidated financial statements, as and when these conditions arise.

C. One Time Restructuring & Status of Repayments

We draw attention to Note 18 to the consolidated Financial Statements relating to long term borrowings. As a fallout of the COVID-19 in India in April 2020, the RBI had issued Resolution Framework for One Time Restructuring. In accordance to the same, the financial institution lenders (5 No.s) entered into a Inter-Creditor Agreement on December 09, 2020 invoking the resolution process. As per the Guidelines, once the resolution is invoked, it needs to be implemented within 6 months, i.e., by June 08, 2021.

Under the terms of the One Time Restructuring, the group was required to infuse additional funds by way of CRE Sales and also equity investment. However, the group was unable to do either due to reasons specified in the said Notes. Accordingly, the group has been unable to repay Installments due on March 31, 2022 as per OTR Sanction letter issued by the respective banks amounting to Rs. 4812.72 Lakhs (in aggregate for all banks taken together) due to inability to monetize CRE Assets located in hotel premises.

As per Note 18 to the consolidated Financial Statements, as per the management, the delay has been due to non-receipt of NOC for such sale from the lender banks despite several reminders. The management is in discussion with the lenders to permit such sales by issuing the required NOC and provide an updated repayment schedule in line with the same.

D. Provision for Diminution in Value of Investment

Refer Note 46 & 34 to the Financial Statements relating to Provision for Diminution in the Value of Investment. In respect of Ultimate Subsidiary company, i.e., Leading Hotels Limited, an Order under section 7 of Insolvency & Bankruptcy Code 2016, read with rule 4 of the Insolvency & Bankruptcy (Application to Adjudicating Authority) Rules, 2016 has been passed on June 25, 2021 for initiating Corporate Insolvency Resolution Process (CIRP). Due to the uncertainty related to realization of amount from the insolvency process the value of investment is impaired during FY 2020-21 by the Parent entity. Further, during financial year 2021-22 the Direct Subsidiary, i.e., Fineline Hospitality & Consultancy Pte Ltd, Mauritius (FHCPL) has created provision for diminution in the value of investment in the step-down subsidiaries. Accordingly, while preparing the consolidated financials only so much of the loss on account of provision for diminution in the value of investment which exceeds the provision for diminution already recognized by Asian Hotels (North) Limited in respect of its investment in Ultimate Subsidiary Company, i.e., Leading Hotels Limited, as at March 31, 2022, has been recognized in the above consolidated results.

ASIAN HOTELS (NORTH) LIMITED

E. Current Status of Business Operations

We draw attention to Note 47 to the Consolidated Financial Statements relating to the Current Status of Business Operations. The COVID-19 outbreak and subsequent nationwide restrictions have adversely impacted the business operations of financial year ended March 31, 2022 (and continuing) in terms of room occupancy as well as food, beverages and other income of Hotel "Hyatt Regency Delhi" owned by the group. Further, Commercial Real Estate Sales ("CRE") activity of the group has also come to halt during this period.

As a result, there were severe cash flows mismatch which has impacted the financial performance and liquidity position of the group. Due to the above reasons and also due to creation of Provision of Diminution in the Value of Investment in the subsidiary in FY 2020-21, the net worth of the group as at March 31, 2022 has continued to be hit.

In line with the One Time Restructuring which was approved by the majority of the lenders, the group was required to infuse funds in the group through CRE Sales and further equity infusion. However, the group was unable to achieve the same due to non-receipt of NOC from the lenders and recall of loan by one of the lender's which prevented equity infusion. The reasons regarding lack of CRE Sales and inability for equity infusion are detailed in Note 45 to the Financial Statements.

As per the information given to us, the management is confident of resolving the issues with the lenders soon so that the NOC will be received and the group will be able to infuse the required funds through CRE Sales and equity infusion.

Further, with the resumption of scheduled international flights and seamless travel for the vaccinated passengers from major inbound tourism countries, the group is witnessing rapid rebound in international tourist arrivals and uptake in Events and MICE segment since April 2022. Above factors and expected future improvement in business operations will be critical for the group to continue as a Going Concern.

Our opinion is not modified in respect of the above matters "A" to "E" above.

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter Description	Responses to Key Audit Matter
<p>A. Assessment of recoverability of Deferred Tax Assets recognized on tax losses (Refer Note 8 to the Consolidated Financial statements.)</p> <ul style="list-style-type: none"> - The Group has recognised deferred tax assets on unabsorbed depreciation and deductions based on actual payments (together hereinafter referred to as "tax losses") carried forward from the previous years as well as current year losses. The assets have been recognised on the basis of the Group's assessment of availability of future taxable profit to offset such tax losses based on business projections for the future years. - The recoverability of the deferred tax assets depends upon factors such as the projected taxable profitability of business and the period considered for such projections, the rate at which those profits will be taxed and the period over which tax losses will be available for recovery. <p>This was considered as a key audit matter as the amount is material to the Consolidated Financial statements and significant judgement in key assumptions were required by the Group's Management in the preparation of forecasts of future taxable profits based on the underlying business plans.</p>	<p>Principal Audit Procedures</p> <p>Our procedures included, amongst others, the following:</p> <ul style="list-style-type: none"> (i) Evaluation of the design and testing pertaining to effectiveness of Group's controls relating to taxation and the assessment of carrying amount of deferred tax assets relating to unabsorbed tax losses; (ii) Assessing the reasonableness of the period of projections used in the deferred tax asset recoverability assessment considering that the Group operates in a highly competitive industry which is subject to disruptions through changing macro scenario; (iii) Comparing the Group's performance for the year with the approved budget to assess the reasonableness of the assumptions; (iv) Comparing the Group's projections of future taxable profit to the approved business plans; (v) Testing, whether projections prepared were consistent with our understanding and knowledge of current business and the general economic environment in which the Group operates and whether the tax losses can be utilized within the forecast recoupment period; (vi) Testing the assumptions used by analyzing the impact on taxable profit using different growth rates and profit margins; (vii) Reviewing the adequacy of disclosures made in the Consolidated Financial statements with regard to deferred taxes. <p>Based on the above procedures performed, our testing did not identify any material exceptions with respect to the reasonability of the assumptions and estimates used by the management in assessing the recoverability of Deferred Tax Asset recognised in respect of tax Losses.</p>

ASIAN HOTELS (NORTH) LIMITED

<p>B. Assessment of ability to continue as Going Concern</p> <ul style="list-style-type: none"> - The Group has incurred operational losses during FY 2021-22 on account of COVID-19 situation and consequent erosion of capital and related crunch. - Due to the creation of provision for diminution in the value of investment in the Subsidiary Company in FY 2020-21 & FY 2021-22, the Net Worth of the group as at March 31, 2022 has continued to be hit. - The Group had approached the lenders for One Time Restructuring and that majority lenders had invoked the One Time Restructuring plan in line with RBI Resolution Framework. - The group was unable to repay its loan instalments as per the One Time Restructuring Plan on account of non-receipt of NOC for CRE sales from the lenders and action by taken by a lender to recall the loan due to which proposed equity infusion by the prospective investor did not go through. - The ability of the group to resolve the ongoing issues with the lenders w.r.t to the restructuring and securing the desired NOC for completing the CRE Sales, achieving planned equity infusion and alongwith continued improvement in business operations will be critical in its continuation as a Going Concern. <p>This was considered as a key audit matter as the ability to continue as a going concern is material to the preparation of Consolidated Financial statements.</p>	<p>Our procedures included, amongst others, the following:</p> <ul style="list-style-type: none"> (i) Evaluation of the design and testing pertaining to effectiveness of Group's controls relating to evaluation of Going Concern Assumption; (ii) Assessing the reasonableness of the period of projections used in One Time Restructuring Proposals submitted to the lenders under RBI Resolution Framework for resolution of stressed assets on account of COVID-19 situation; (iii) Reviewing actions undertaken by management to monetize CRE Assets; (iv) Comparing the Group's projections of future taxable profit to the approved business plans; (v) Evaluation of Financial Results of Companies operating in Comparable segments / industries and impact of COVID-19 thereon (vi) Reviewing the adequacy of disclosures made in the Consolidated Financial statements with regard to Status of Business Operations. <p>Based on the above procedures performed, our testing did not identify any material exceptions with respect to the reasonability of the usage of Going Concern assumption as at March 31, 2022. However, the same will be subject to on-going review and assessment during FY 2022-23 as the ability of the group to continue as a Going Concern will be greatly dependent on the CRE Sales, Equity Infusion and Improved Business Operations.</p>
--	---

Other Matters

The Group has total MSME dues as at March 31, 2022 amounting to INR 154.31 Lakhs which are outstanding for a period beyond 45 days as stipulated in the Micro, Small and Medium Enterprises Act, 2006. As per Section 16 of the said Act, the Group is required to pay interest on such delayed payments amounting to INR 11.31 Lakhs. As per the Group, the delay in payments is on account of temporary financial difficulties which have increased on account of COVID-19 situation affecting the Hospitality Industry in particular and that it will clear all MSME dues at the earliest.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.-

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

ASIAN HOTELS (NORTH) LIMITED

Auditor's Responsibilities for the Audit of the Consolidated Financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Asian Hotels (North) Limited as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of Asian Hotels (North) Limited (hereinafter referred to as the "Holding Company").

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company its subsidiary company, which are company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with Reference to these Consolidated Financial Statements

A Holding company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Consolidated Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiaries, in all material respects, an adequate internal financial controls system over financial reporting were generally operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2A Principles of Consolidation

These consolidated financial statements have been prepared in accordance with Indian Accounting Standard 110 (Ind AS 110) – "Consolidated Financial Statements". These consolidated financial statements comprise the financial statements of the Company and its following subsidiaries: -

Name of the Company	Country of Incorporation	Effective % of holding as at 31st March, 2022	Effective % of holding as at 31st March, 2021
Finline Hospitality & Consultancy Pte Ltd (FHCPL)- an Overseas Subsidiary	Mauritius	100.00%	100.00%
Lexon Hotel Ventures Limited (Lexon), a subsidiary of FHCPL	Mauritius	80.00%(#)	80.00%(#)

(#) i.e., 100.00% of 80.00 % held by FHCPL.

These consolidated financial statements have been prepared on the following basis:

- the financial statements of the Holding Company, its Overseas Wholly Owned Subsidiary and its Indian Subsidiary have been combined on a line by line basis by adding together the book value of like items of assets, liabilities, income and expenses after fully eliminating intra-group balances and intra-group transactions, if any, based on the special purpose audited Ind AS consolidated financial statements received from the Overseas Subsidiary and audited financial statement received from the Indian Subsidiary for the year ended 31st March 2022, in Indian Rupees as per the Indian Accepted Accounting Policies.
- These consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented, to the extent possible, in the same manner as the Company's standalone financial statements.
- The difference between the cost of investment in the subsidiaries and the Holding Company's share of net assets at the time of acquisition of shares in the subsidiaries is recognized in the consolidated financial statements as Goodwill or Capital Reserve as the case may be.
- Goodwill arising out of consolidation is tested for impairment at each balance sheet date.

2A Principles of Consolidation..contd.

- (v) Non-controlling interest in the net assets of consolidated subsidiaries is identified and presented in the consolidated Balance Sheet separately from liabilities and equity of the Holding Company's shareholders.

Non-controlling interest in the net assets of consolidated subsidiaries consists of: -

- (a) the amount of equity attributable to non-controlling interest at the date on which investment in Subsidiary is made; and
- (b) the noncontrolling' share of movements in equity since the date the parent – subsidiary relationship came into existence.

Minority interests share of Net Profit / (Loss) (including share of Foreign Exchange Translation Reserve) of consolidated subsidiaries for the relevant period is identified and adjusted against the profit after tax of the group.

2B Use of Estimates

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the group's accounting policies. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be adjusted due to estimates and assumptions turning out to be different from those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgments are:

- a) Estimation of current tax expense and payable – Refer accounting policy 3.9
- b) Estimated useful life of property plant & equipment and intangible assets – Refer accounting policy 3.1
- c) Estimation of defined benefit obligation – Refer accounting policy 3.8
- d) Estimation of fair values of contingent liabilities - Refer accounting policy 3.12
- e) Recognition of revenue - Refer accounting policy 3.4
- f) Recognition of deferred tax assets for carried forward tax losses – Refer accounting policy 3.9
- g) Impairment of financial assets – Refer accounting policy 3.2 & 3.5

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle
- b. Held primarily for the purpose of trading
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle
- b. It is held primarily for the purpose of trading
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, plant and equipment:

Property, plant and equipment are stated at original cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. Costs include financing costs of borrowed funds attributable to acquisition or construction of fixed assets, up to the date the assets are put-to-use. When significant parts of property, plant and equipment are required to be replaced at intervals, the Group derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Where components of an asset are significant in value in relation to the total value of the asset as a whole, and they have substantially different economic lives as compared to principal item of the asset, they are recognized separately as independent items and are depreciated over their estimated economic useful lives. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred unless they meet the recognition criteria for capitalization under Property, Plant and Equipment

Tangible Fixed Assets:

- (a) Depreciation is charged using straight line method on the basis of the expected useful life as specified in Schedule II to the Act. A residual value of 5% (as prescribed in Schedule II to the Act) of the cost of the assets is used for the purpose of calculating the depreciation charge. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. However, management reviews the residual values, useful lives and methods of depreciation of property, plant and equipment at each reporting period end and any revision to these is recognized prospectively in current and future periods.
- (b) Depreciation on leasehold improvements is being charged equally over the period of the lease.
- (c) Depreciation on the increased amount of assets due to revaluation is computed on the basis of residual life of the assets as estimated by the valuer on straight line method and charged to Revaluation Reserve and credited to the Other Comprehensive Income based on guidance provided by "Application Guide on the Provisions of Schedule II to the Companies Act, 2013" issued by the Institute of Chartered Accountants of India read with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2016 as amended by the Companies (Indian Accounting standards) (Amendment) Rules, 2016.
- (d) No depreciation is charged on the assets sold/ discarded during the year.

Intangible Assets:

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

An item of intangible asset initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset [calculated as the difference between the net disposal proceeds and the carrying amount of the asset] is included in the income statement when the asset is derecognized. Intangible fixed assets are amortized on straight line basis over their estimated useful economic life.

Capital Work- in- progress

Capital work- in- progress represents directly attributable costs of construction to be capitalized. All other expenses including interest incurred during construction period are capitalized as a part of the construction cost to the extent to which these expenditures are attributable to the construction as per Ind AS-23 "Borrowing Costs". Interest income earned on temporary investment of funds brought in for the project during construction period has been set off from the interest expense accounted for as expenditure during the construction period.

3.2 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Group measures it on the basis of discounted cash flows of next five years' projections estimated based on current prices. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Impairment losses of continuing operations, including impairment on inventories, are recognized in profit and loss section of the statement of profit and loss, except for properties previously revalued with the revaluation taken to other comprehensive Income (the 'OCI'). For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation.

3. SIGNIFICANT ACCOUNTING POLICIES..contd.

3.3 Foreign Currency Transactions

The Group's financial statements are presented in INR, which is also the Group's functional currency.

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are measured in terms of historical costs denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Group's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements including receivables and payables which are likely to be settled in foreseeable future, are recognized as income or as expenses in the year in which they arise. All other exchange differences are recognized as income or as expenses in the period in which they arise.

The gain or loss arising on translation of non-monetary items is recognized in line with the gain or loss of the item that give rise to the translation difference (i.e. translation difference on items whose gain or loss is recognized in other comprehensive income or the statement of profit and loss is also recognized in other comprehensive income or the statement of profit and loss respectively).

3.4 Revenue recognition

Effective 01 April 2018, the Group (wherever applicable) has adopted Indian Accounting Standard 115 (Ind AS 115) -'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant. Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money. Specifically,

- (i) Revenue from rendering of hospitality services is recognized when the related services are performed and billed to the customer or the agreed milestones are achieved and are net of service tax, wherever applicable.
- (ii) For all debt instruments measured either at amortized cost or at fair value through other comprehensive income [OCI], interest income is recorded using the effective interest rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument [for example, prepayment, extension, call and similar options] but does not consider the expected credit losses.
- (iii) Dividend income from investments is recognized when the Group's right to receive payment is established which is generally when shareholders approve the dividend.
- (iv) Income from generation of electricity is recognized when the actual generated units are transferred and billed to the buyer.
- (v) Income from hiring of vehicles is recognized on accrual basis on the basis of agreed rate.
- (vi) Excise duty (upto 30th June, 2017) is a liability of the Group, which forms part of the cost of production, irrespective of whether the goods are sold or not. Therefore, the recovery of excise duty flows to the Group on its own account and hence revenue includes excise duty.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

3. SIGNIFICANT ACCOUNTING POLICIES..contd.

of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognized on the settlement date, trade date, i.e., the date that the Group settle commits to purchase or sell the asset.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

i. Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held with an objective of collecting contractual cash flows
- Contractual terms of the asset give rise on specified dates to cash flows that are "solely payments of principal and interest" [SPPI] on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate [EIR] method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

ii. Debt instruments at fair value through other comprehensive income [FVTOCI]:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The asset is held with objective of both - for collecting contractual cash flows and selling the financial assets
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income [OCI]. However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

iii. Debt instruments, derivatives and equity instruments at fair value through profit or loss [FVTPL]:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

iv. Equity instruments measured at fair value through other comprehensive income [FVTOCI]:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group has made such election on an instrument by- by instrument basis. The classification is made on initial recognition and is irrevocable. If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

c. Derecognition:

A financial asset is primarily derecognized when:

- i. The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either [a] the Group has transferred substantially all the risks and rewards of the asset, or [b] the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- ii. the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

3. SIGNIFICANT ACCOUNTING POLICIES..contd.

d. Impairment of financial assets:

In accordance with Ind AS 109, the Group applies expected credit loss [ECL] model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, deposits, trade receivables and bank balance
- b. Trade receivables or any contractual right to receive cash
- c. Financial assets that are debt instruments and are measured as at FVTOCI
- d. Lease receivables under Ind AS 17
- e. Financial guarantee contracts which are not measured as at FVTPL

The Group follows 'simplified approach' for recognition of impairment loss allowance on Point c and d provided above. The application of simplified approach requires the Group to recognize the impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive [i.e., all cash shortfalls], discounted at the original EIR.

As a practical expedient, the Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

ECL impairment loss allowance [or reversal] recognized during the period is recognized as income/ expense in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

- a. Financial assets measured as at amortized cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance which reduces the net carrying amount. Until the asset meets write-off criteria, the Group does not reduce impairment allowance from the gross carrying amount.
- b. Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

B. Financial liabilities:

a. Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

b. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

i. Financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the profit or loss.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

3. SIGNIFICANT ACCOUNTING POLICIES..contd.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied for liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

ii. Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

iii. Financial guarantee contracts:

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

c. Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

C. Reclassification of financial assets:

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognized gains, losses [including impairment gains or losses] or interest.

D. Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group. The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted [unadjusted] market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

3. SIGNIFICANT ACCOUNTING POLICIES..contd.

3.7 Inventories

Inventories are valued at the lower of cost or net realizable value. The cost is determined by weighted average method. The net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

Operating equipment in circulation is valued at weighted average cost less estimated diminution in value on account of usage.

3.8 Retirement benefits

Retirement benefit costs for the year are determined on the following basis:

- (i) All employees are covered under contributory provident fund benefit of a contribution of 12% of salary. There is no obligation other than the contribution payable to the respective fund.
- (ii) The Group also provides for retirement benefits in the form of gratuity and compensated absences/ Leave encashment in pursuance of the Group leave rules. The Group's liability towards such defined benefit plans are determined based on valuations as at the Balance Sheet date made by independent actuaries. The classification of the Group's net obligation into current and non-current is as per the actuarial valuation report.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not classified to the statement of profit and loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset

3.9 Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 and tax laws prevailing in the respective tax jurisdictions where the Group operates. Current tax items are recognized in correlation to the underlying transaction either in P&L, OCI or directly in equity.

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted at the reporting date.

Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Group recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Group will pay normal income tax during the specified period, i.e. the period for which MAT credit is allowed to be carried forward. In the year in which the Group recognizes MAT credit as an asset, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement". The Group reviews the "MAT Credit Entitlement" asset at each reporting date and writes it down to the extent the Group does not have convincing evidence that it will pay normal tax during the specified period and utilize the MAT Credit Entitlement.

3.10 Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022

3. SIGNIFICANT ACCOUNTING POLICIES..contd.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing costs which are not specifically attributable to the acquisition, construction or production of a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a weighted average capitalization rate. The weighted average rate is taken of the borrowing costs applicable to the outstanding borrowings of the Group during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized cannot exceed the amount of borrowing costs incurred during that period.

3.11 Earnings per equity share

Basic earnings per share is calculated by dividing the net profit or loss from continuing operation and total profit, both attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the period.

3.12 Provisions, Contingent Liabilities and Contingent Assets:

Provision is recognized when the Group has a present obligation (legal or constructive) as a result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made.

A disclosure for contingent liability is made when there is a possible obligation, that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are renewed at each balance sheet date.

3.13 Cash and Cash Equivalents

Cash and cash equivalent comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

3.14 Leases

The determination of whether an arrangement is [or contains] a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

- A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.
- Lease other than finance lease are operating lease and these leased assets are not recognized in the Group's statement of financial position but are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. The Group is both a lessee and a lessor under such arrangements. Payments and receipts under such leases are charged or credited to the Statement of Profit and Loss on a straight-line basis over the primary period of the lease unless another systematic basis is more representative of the time pattern of the user's benefit.

3.15 Exceptional items

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Group is such that its disclosure improves the understanding of the performance of the Group, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

* As a fallout of the COVID-19 in India in April 2020, the RBI had issued Resolution Framework for One Time Restructuring ("OTR"). In accordance to the same, the financial institution lenders (5 No.s) entered into a Inter-Creditor Agreement on December 10, 2020 invoking the resolution process. As per the Guidelines, once the resolution is invoked, it needs to be implemented within 6 months, i.e., by June 09, 2021. The OTR is for obtaining extension in repayment of principal, reduction in interest rates and conversion of accrued interest into Funded Interest Term Loans ("FITL"). Summary of Revised Interest Rates & Repayment terms are summarized below.

**The Company has been unable to repay Installments due on March 31, 2022 amounting to Rs. 4812.72 Lakhs (in aggregate for all banks taken together) as per OTR Sanction letter issued by the respective banks on account of inability to monetize CRE Assets located in hotel premises. As per the management, the delay has been due to non-receipt of NOC for such sale from the lender banks despite several reminders. The management is in discussion with the lenders to permit such sales by issuing the required NOC and provide a updated repayment schedule in line with the same.

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

37. DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19 EMPLOYEE BENEFITS

The Company has classified the various benefits provided to employees as under:-

(a) Defined contribution plans

- Provident fund

The Company has recognized the following amounts in the statement of profit and loss:

Employers' contribution to provident fund :- Current Year Rs. 156.62 Lakhs (Previous Year Rs. 155.61 Lakhs)

(b) Defined benefit plans

- Gratuity
- Compensated absences - Earned leave

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions-

Economic Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The discounting rate is based on the gross redemption yield on medium to long term risk free investments. The estimated term of the benefits/obligations works out to zero years. For the current valuation a discount rate of 6.91% p.a. (Previous Year 6.92% p.a.) compound has been used.

Salary Escalation Rate

The salary escalation rate usually consists of at least three components, viz. regular increments, price inflation and promotional increases. In addition to this any commitments by the management regarding future salary increases and the Company's philosophy towards employee remuneration are also to be taken into account. Again a long-term view as to trend in salary increase rates has to be taken rather than be guided by the escalation rates experienced in the immediate past, if they have been influenced by unusual factors.

The assumptions used are summarized in the following table:

	Gratuity (Unfunded)		Compensated Absences Earned Leave (Unfunded)

41. COVID 19 IMPLICATIONS

During the year, the business of the Company was significantly impacted due to COVID-19. Hotel was only partially operating for the first three months on account of Second Covid Wave in the country.

The Company has assessed the impact of COVID-19 on the future cash flow projections. The Company has also prepared a range of scenarios to estimate financing requirements. The Company has also assessed the potential impact of COVID-19 on the carrying value of property, plant & equipment, investments, trade receivables, inventories and other current assets appearing in the financial statements of the Company. Based on the current indicators of future economic conditions, the Company expects to recover the carrying value of these assets. The impact assessment of COVID-19 is a continuous process given the uncertainties associated with its nature and duration and actual results may differ materially from these estimates.

The Company will continue to monitor the material changes in future economic conditions and would recognize any significant impact of these changes affecting the Company, in the financial statements, as and when these conditions arise.

43. FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effects on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effects on the recorded fair value that are not based on observable market data.

44. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's financial risk management policy is set by the Managing Board.

Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Group manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

44. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES....contd.

Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Group's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

The Group is not exposed to significant interest rate risk as at the specified reporting date.

Refer Note 19 and Note 22 for interest rate profile of the Group's interest-bearing financial instrument at the reporting date.

Foreign currency risk

The Holding Company and one of the subsidiary company operates locally whereas two of the subsidiaries operates outside India, however, the nature of its operations requires it to transact in several currencies and consequently the Group is exposed to foreign exchange risk in various foreign currencies.

The Group evaluates exchange rate exposure arising from foreign currency transactions and the Group follows established risk management policies.

I. Foreign Currency Exposure

Refer Note 41 for foreign currency exposure as at March 31, 2022 and March 31, 2021 respectively.

II. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

Currency	2021-22		2020-21	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	(334.24)	334.24	(288.25)	288.25
Total	(334.24)	334.24	(288.25)	288.25

Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Group periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is significant increase in credit risk the Group compares the risk of a default occurring on the asset at the reporting date with the risk of default as the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- Actual or expected significant adverse changes in business,
- Actual or expected significant changes in the operating results of the counterparty.
- Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligation,
- Significant increase in credit risk on other financial instruments of the same counterparty.
- Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Group. The Group categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit or loss.

The Group has assets where the counter- parties have sufficient capacity to meet the obligations and where the risk of default is very low. Hence based on historic default rates, the Group believes that, no impairment allowance is necessary in respect of above mentioned financial assets.

Liquidity Risk

Liquidity Risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at reasonable price. The Group's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Group's net liquidity position through rolling forecast on the basis of expected cash flows.

Remarks for change in ratio by more than 25% with respect to previous year :-

Debt – Equity Ratio

Ratio is adverse because of continuous surge in Debts (due to capitalization of Interest & Creation of FITL) and decrease in Equity due to continuous losses.

Debt Service Coverage Ratio

Ratio is adverse as company unable to generate enough cash to service its outstanding Debts. There is negligible improvement in ratio due to slight improvement in ratio.

Return on Equity (ROE)

Ratio become favourable as compare to previous year because of following reasons:-

- i) Decreases in losses as there is exceptional item during the previous year which is not there is current year.
- ii) Decreases in Average Shareholder's Equity because of continuous losses incurred.

Inventory Turnover Ratio & Trade receivables turnover ratio

Ratio become favourable as compare to previous year because last year due to COVID- 19 pandemic operations of hotels & resturants closed for substancial period during year which resulted in ineffective utilization of inventory & non receipt of dues from corporate clients.

Trade payables turnover ratio

Due to cash crunch company unable to repay its operational creditors which resulted in adverse ratio. There is slight improve due to recovery of business during the year.

On June 25, 2021 an Order under section 7 of Insolvency & Bankruptcy Code 2016, read with rule 4 of the Insolvency & Bankruptcy (Application to Adjudicating Authority) Rules, 2016 has been passed for initiating Corporate Insolvency Resolution Process (CIRP). These factors cast a doubt of the ability of the subsidiary to continue as a Going Concern. Since the outcome of the recently commenced insolvency process cannot be estimated as of now, the financial statements are drawn on a reasonable basis which maintains the status-quo of the operations as it is.

Note: 47 : Current State of Business Operations

The COVID-19 outbreak and subsequent nationwide restrictions have adversely impacted the business operations of financial year ended March 31, 2022 (and continuing) in terms of room occupancy as well as food, beverages and other income of Hotel "Hyatt Regency Delhi" owned by the Company. Further, Commercial Real Estate Sales ("CRE") activity of the company has also come to halt during this period.

The major reasons for stress, due to outbreak of Covid -19 are:

1. Travel Restrictions announced on international travel throughout the globe.
2. Substantial decline in room occupancy level

ASIAN HOTELS (NORTH) LIMITED

NOTES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Note: 47 : Current State of Business Operations....contd.

3. Substantial decline in F & B and other support services income
4. Decline in income of restaurants
5. Increase in level of Debt due to regular interest application as fixed expenses
6. CRE activity of company also came to halt during pandemic period due to general economic slowdown in the country.”

As a result of above, there were severe cash flows mismatch which has impacted the financial performance and liquidity position of the company. Due to the above reasons and also due to creation of Provision of Diminution in the Value of Investment in the subsidiary in FY 2020-21, the net worth of the Company as at March 31, 2022 has continued to be hit adversely.

In line with the One Time Restructuring which was approved by the majority of the lenders, the Company was required to infuse funds in the Company through CRE Sales and further equity infusion. However, the Company was unable to achieve the same due to non-receipt of NOC from the lenders and illegal recall of loan by Yes Bank.

1. Status of CRE Sales and Additional Equity Infusion

a. CRE Sales

The Company had proposed sale of Rs. 72.35 Crore from the CRE component which could not be realized due to the non-receipt of the NOC from the lenders. Company had requested for the formal NOC from Banks vide letters dated March 14, 2022 (duly acknowledged by the Banks on March 29, 2022, however, no NOC was received except from Bank of Maharashtra, despite repeated reminders. Previously also, the Company received advance towards the Sale of CRE, however, the amounts had to be returned due to the non-receipt of the NOC from the lenders.

b. Additional Equity Infusion

The Company had received definitive interest to subscribe equity from a prospective Investor, to invest upto Rs. 190 Crores and the prospective investor had also met the lenders during the Joint Lenders Meeting dated March 14, 2022. However, equity infusion transaction could not be achieved due to actions taken by Yes Bank wherein the said Lender recalled the loan in contravention of the OTR Scheme. This adversely affected the business plans of the prospective investor as the lock in period applicable for the shares brought (Under Preferential Issue Norms) would be increased from 6 months to 3 years as per the Capital and Disclosure Requirements, if the investment is into companies having stressed assets. On May 10, 2022, the Company has received intimation from the National E-Governance Services Ltd that the loan recalled by Yes Bank has now been regularized.

2. Continuity as Going Concern

The management is confident of resolving the issues with the lenders soon so that the NOC will be given and the Company will be able to infuse the required funds through CRE Sales and equity infusion. The management further opines that the resumption of scheduled international flights by the Indian Government starting March 27, 2022 and seamless travel for the vaccinated passengers from major inbound tourism countries will have a positive impact going forward. The Company already is witnessing rapid rebound in international tourist arrivals and uptake in Events and MICE segment since April 2022 and that the operating profitability is improving significantly and it will be further aided by several cost reduction measures being adopted by the Company. These factors and expected future improvement in business operations will be critical for the Company to continue as a Going Concern.
