## ASIAN HOTELS (NORTH) LIMITED

This Agreement is made at New Delhi on this 1<sup>st</sup> November, 2020 between Asian Hotels (North) Limited, the owning Company of Hotel Hyatt Regency Delhi, a company incorporated under the companies act 1956 (hereinafter referred to as "Hyatt Regency Delhi") which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to mean and include its successors and permitted assigns and M/s. **ASHOKA TRAVELS & TOURS SERVICES PRIVATE LIMITED** having its principal place of business, at Khasra No 1165, Ground Floor, Near Kapil Warehouse, Rajokri, New Delhi- 110038 through its authorized signatory Mr. Ashok Yadav (hereinafter referred to as "Service Provider"), which term shall unless exclude by or is repugnant to the subject or context include its heirs, executors, legal representative and administrators.

WHILE the Hotel & Restaurant Business has become highly competitive, Hyatt Regency Delhi is a Five Star Deluxe Hotel, which primarily caters to foreigners including high dignitaries, Heads of business empires, Tycoons and their Indian counter parts, it is, therefore, imperative for the Service Provider to have proper Valet Services at Hyatt Regency Delhi to facilitate convenience of the guests, in consonance with International and Global Standards and thereby to remain competitive.

WHERE AS SERVICE PROVIDER has been engaged in business of specialized Valet Parking and Travel Desk Management Services, such services include all Valet Parking and Travel Desk Management, handling complicated parking, loud speakers, traffic flow, safety concern, guest arrival Valet Parking, Taxi Driver, commercial vehicle flow etc. and the expertise of the Service Provider includes planning and Demand analysis, feasibility studies and site selection, functional design, management analysis and operational audits - in nutshell, full range of Valet Parking and Travel Desk Management and Valet Service with special focus on enhancing parking efficiency by providing professional and efficiently managed parking solutions by its professionals and courteous employees. Whereas the Service Provider has represented that he has the latest technology and equipment for single space / multi space applications, leverage to make necessary investments and the expertise to monitor its services, which includes such incidentals as Shuttle Service & Drivers (as also Traffic Directors and Parking Ambassador for special events in the client organizations particularly Five Star Hotels), Signage, radios, traffic devices and umbrellas. And whereas the Service Provider has assured Hyatt Regency Delhi that an alliance between the parties would add value to the Hotel, and Hyatt Regency Delhi deems it advisable, expedient and economical to 'buy' the specialized Parking Management and Valet Parking services from the Service Provider.

And, whereas, Hyatt Regency Delhi will provide space for Valet Parking cars bays for parking of vehicles—earmarked at the open space and one (1) basement of the Hotel (herein after collectively referred to as the "Parking" Area).

It is, therefore, agreed by and between both the parties as follows:
